### **Kelly Knapp says**

Love Inspired books are a somewhat formulated style of writing. So, it is rare that any of these books are not a good read. That being said, this one was better than many because we had some of the Amish characters who do not behave in ways that we have read they should behave. Hannah is almost a saint considering how much she puts up with from her grandfather.

Groosddaadi is a beyond difficult. He complains if his meal is late or if he thinks it will be late even if it does not turn out that way. He complains about the noise of the children even though he is deaf as a post. And perhaps worst of all, he resents Hannah's help with household funds, but cannot do without them, and Lord help anyone who offers to help...this Amish man is not going to accept "charity." Yet most Amish consider help to be accepted with God's grace and thankfulness.

If I wish anything about this book, it would be to know more about what happens in Ohio. We learn that one of Sawyer's employees loses a finger early on and that this complicates the business he left behind, but we never learn of or about Sawyer's abilities as a carpenter. This seems a little strange since Groosddaadi is a carpenter. One or two small passages, especially between Groosddaadi and Sawyer, would have fleshed this out so much better.

Overall, it is a good Love Inspired book.

Amish Triplets for Christmas by Carrie Lighte

The Widower's Christmas Gift

Widowed father of triplets Sawyer Plank knows he has his hands full. After arriving in the Amish community of Willow Creek to help with the fall harvest, Sawyer asks schoolteacher Hannah Lantz to be his nanny. With a deaf grandfather to care for, the offer is more than just a job for Hannah—it's a chance to fulfill her all-but-forgotten dream of being a mother. The children soon flourish under Hannah's watch, and though Sawyer never dreamed he'd find happiness again, he can't pretend he's not falling for her, too. But with the holiday season heralding Sawyer's return to Ohio, can he make his Christmas wish to stay a family come true?

this is Sawyer Plank and Hannah Lantz's story.

Sawyer Plank triplets names are Sarah, Samuel, and Simon.

"I'm Sawyer Plank," he explained. "Nephew of John Plank."

Sawyer came to the Amish community of Willow Creek to help with the fall harvest.

Sawyer asks schoolteacher Hannah Lantz to be his nanny.

Hannah Lantz has a grandfather to care for.

The children Sarah, Samuel, and Simon soon flourish under Hannah's watch.

Hannah Lantz rose from her desk, smoothed her skirt and forced her pale, delicate features into a smile. She didn't want the little ones to know how distraught she was that she would no longer be their teacher once harvest season ended.

Hannah Lantz is the schoolteacher for Sarah, Samuel, and Simon and other children.

will Sawyer make his Christmas wish to stay a family come true? read this book to find out.  
Amish Triplets for Christmas by Carrie Lighte is a wonderful well written 5 star book.  
I highly recommend reading.  
I am looking forward to reading more books by Carrie Lighte.

I was delighted to win this book on Goodreads giveaway and I must say that Carrie is one author that I will keep an eye on. The style of writing had me hooked from the beginning. I wanted to know what was going to happen and couldn't put the book down. The characters were very amusing and the children hilarious at times. I found myself cheering for both Sawyer and Hannah. When a storm almost causes Hannah and the children to be trapped does Sawyer finally tell Hannah he loves her. Thank you so much Carrie. Loved the book and look forward to the next one.

### **Bonnie says**

Amish Triplets For Christmas by Carrie Lighte. Was a wonderful book. Funny, romantic. Widower Sawyer Plank has five year old triplets. He goes to Amish community of Willow Creek where his uncle lives to help with the harvest while he is recovering from a leg injury. He meets school teacher Hannah Lantz. Hannah helps the kids adjust to a new area. She ends up watching them after school while their dad works the harvest. A romance happens. A funny book. Very good.
