An Amish Wedding

Beth Wiseman , Kathleen Fuller , Kelly Long

An Amish Wedding Beth Wiseman , Kathleen Fuller , Kelly Long

Three Amish women yearn for the perfect wedding.

"A Perfect Plan" by Beth Wiseman

Priscilla King has been planning to marry Chester Lapp since she was sixteen years old, and when Chester proposes on Priscilla's nineteenth birthday, wedding plans begin immediately. What wasn't planned was all the problems the couple encounters as their big day approaches. A house disaster, a ruined wedding dress, and a sick attendant all make the couple wonder if God's sending them signs to call things off.

"The Perfect Match" by Kathleen Fuller

Naomi Fisher has had great success at matchmaking her family members and friends. Now with her sister's wedding right around the corner, Naomi wonders why she's able to find husbands for her friends and family, but not one for herself.

"The Perfect Secret" by Kelly Long

Rose Bender has recently become engaged to handsome but somber Luke Raber. She agrees out of a sense of duty and a willingness to settle for solid friendship as a basis for the engagement. But as she watches her friend's excitement over her soon-to-be wedding, Rose wonders if there shouldn't be more to her relationship with Luke. She begins to examine Luke and his life more closely and is amazed when she stumbles upon an exciting, secret side of him that engages her mind and heart.

Jen. says

.
.

Skipped the first story.

"A Perfect Match by Kathleen Fuller - Short, sweet and chaste romance. A few humorous scenes. Storyline moved well for a novella. Nice job! 3 Stars"

"A Perfect Plan by Beth Wiseman - A comedy of errors impact these cute characters' wedding preparations. Strong message about how worrying too much will distract you from understanding God's plan. "Only God's plan is perfect." Sweet romance. Three stars!"

Senga says

I have always enjoyed the Amish romance genre and this book with three separate but connected stories is perfect as a light uncomplicated story to listen to.

Megan Rang says

Three amazing Amish stories all in one book. I love the connection each story had to the others!!

Martha says

"A Perfect Plan" by Beth Wiseman, "The Perfect Match" by Kathleen Fuller, and "The Perfect Secret" by Kelly Long have written about three Amish women in three different short stories that are faced with many obstacles preparing for their wedding day. Will Priscilla King, Naomi Fisher, or Rose Bender find their way to marriage?

An Amish Wedding is my first Amish book that I have read. I was a little disappointed to know that an Amish person could be a thief and cell phones were allowed. I know this is a fictional read but I do not see the Amish as thieves. I lived close to an Amish community when I was younger and they didn't have any of the luxuries that they have in An Amish Wedding. Maybe the times have changed over the years on how the Amish live. I never knew that Amish women were allowed to be so open when being courted by their Amish men. I was quite confused in parts on how the Amish had such liberal ways of life in all three books. An Amish Wedding is a quick and easy read.

Ellen says

I listened to this book, which is always tricky, because a reader can make or a break a book, regardless if the book is great or so-so. I didn't love the reader, so I'm not sure how much the reader influenced my opinion of the book. Anyway, the story was good, but it seemed very wordy and overly dramatic. It was my first Amish book and I enjoyed learning (assuming the book was accurate) about the Amish culture.

Willow says

Spoiler alert

I didn't learn about Amish lifestyle as much as I hoped. The story was engaging but everything was too perfect. All the characters were good-willed, kind, sensitive, thoughtful, yadi yadi yada, and the plans were perfect and everything works out eventually. El fin.

Connie says

Schwartz stories ok

Sra Rodriguez says

In true Amish fiction style, the clean romance in these three stories in one book does not disappoint. Although I was surprised when it switched from one person's story to another, as I read on it became clear that the second story was linked to the first. The third story was not a surprise, as I had looked at the table of contents by then.

An Amish Wedding by Kelly Long, Kathleen Fuller, & Beth Wiseman
Review by Kara Grant

Will these three Amish women get the wedding of their dreams or will they have to settle for something else? Here are three very different stories woven into one book with different perspectives on how to trust God with the most important decision a young woman can make. Out of the three stories, only two women are getting married, but there is love to be experienced by each.

A Perfect Secret

This is the story of Rose and Luke; they have been best friends their entire lives and now they have gotten engaged. They each have a secret that they must reveal to one another and both are hesitant in doing this.

Rose and Luke love one another, but they must conquer whatever fears they have before they can exchange vows. Will they be able to accomplish this feat in time?

A Perfect Match

This is the story of Naomi and Zeke; they have both reached an older age than most around them and remained single. Zeke is open and gentle towards Naomi, but an ex-boyfriend broke her heart and she is hesitant responding to Zeke. Naomi likes to participate in matching up couples in her family and community; she believes her life is complete without a husband. However, will she be able to ignore the attraction she feels for Zeke or will she learn to trust him with her heart?

My favorite line in this book comes from Zeke and it warmed my heart:

“Yet despite his desire to find a wife, he wouldn’t settle for just any woman. Not because he had to have the most beautiful one, or the finest caretaker, or even the best cook—although being able to cook was a plus. He wanted his marriage to be blessed by the Lord, and influenced by Christ in every way. He trusted that God would let him know who the right woman was. He wasn’t sure how, but he had faith.”

A Perfect Plan

This is the story of Priscilla and Chester; they meet at Priscilla’s 16th birthday party and discover that they both want to experience skydiving before they are baptized in the Amish faith. They do this together shortly after her birthday, but I was disappointed that it wasn’t described. What a way to start courting! Three years later they are engaged to be married, but everything seems to be going wrong. Priscilla’s wedding dress gets ruined, the house Chester is building for them fails inspection and requires extra work, and then Chester gets fired from his job over a misunderstanding. Will this couple learn to trust God above their circumstances or will they cancel the entire wedding due to these disasters?

I listed the authors in the order their stories appear in this book, even though Beth Wiseman is the seasoned author of the bunch. My favorite one was A Perfect Match because I related most to Naomi. After being betrayed by a man she loved and trusted, it was difficult to believe that her heart would be safe ever again so she focused her time on her family, her business, and her community. It’s even hard to trust God again once you’ve been heartbroken, but the awesome thing is that once your heart heals and gets strong again, your faith and your perspective of God goes even deeper than it originally was. The first two stories deal with betrayal and the third one deals with trusting God regardless of what your circumstances are. Everyone wants their wedding day to be perfect and in order, but God likes to surprise us and do extraordinary things that don’t always follow our ideas of perfection.

This book also offers a reading group guide for each story; a glossary for those who don’t know Amish vocabulary; and Amish recipes for Amish Blueberry Cobbler, Apple Cake with Caramel Sauce, Hot Caramel Sauce, Outrageous Chocolate Chip Cookies, and Underground Ham. This book does not qualify for my favorites list, but I give it a high rating because it contains three stories for the price of one and the message it contains is the most important one. Trusting God is never easy, but giving Him our trust is required if we love Him. He is faithful in everything no matter how we worry or stress and He continues to love us even when we doubt Him. An Amish Wedding successfully captures the heart of the Amish culture through the eyes of three different couples and the valuable lessons they learn as they discover God’s unique plan for their lives. I didn’t laugh while reading this, but I did cry and I smiled throughout.

I want to thank Booksneeze and Thomas Nelson for the free copy they provided for my review. I was not required to write a positive review. The opinions I have expressed are my own.

Nancy says

A book of three novellas, all centered around wedding preparations. Kept my interest and focused on perfectionism, God's will, trust and more. Romantic.

Lennine says

Beth Wiseman and friends are always a good read.

Jessica says

#readathon finished this audiobook I started before the Readathon. Great read!

Kate says

I like how each of these stories was set not only in the same community, but at the same basic time. This added a bit of cohesiveness to the collection that might not have been there otherwise. I also appreciated how each couple in the stories learned how to trust in God's plan and timing and lead.

I think my favourite of the stories was Luke and Rose's. I enjoyed the bit of mystery surrounding "Rob in the Hood", and how that eventually played out in Luke and Rose's lives.

Mary Beth says

Priscilla King has been planning to marry Chester Lapp since she was sixteen years old, and when Chester proposes on Priscilla's nineteenth birthday, wedding plans begin immediately.

Michele says

The first story was just plain unreal. I know these books are fiction but many read as non-fiction, which I like. I enjoyed the other two stories.
