His Little Vampire Lynn Hagen

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Paranormal Romance, M/M, shape-shifters, vampires, HEA]

Lying low from the Red Devils, Cash bartends and bounces at Silk Room. The most he gets involved with a guy is sex. He can't afford entanglements, not when he has trouble on his heels. But his life is turned upside down when Matthias is hired to help Cash bartend. Within minutes of being near the small vampire, Cash realizes he's just found his mate. And in those same minutes he knows he can't claim Matthias because of the trouble closing in on him.

Matthias sees himself as worldly and resilient. That is, until he meets Cash Walker. Right out the gate Cash makes it clear that they'll never seal their bond, and Matthias tries his best to accept his mate's decision. Unfortunately, the pull won't allow either of them to ignore their mating for long. Their attraction is too strong to deny, even when the Red Devils catch up to Cash.

I really like this sequel.

Overall I like it. Cash doesn't strike me as a huge big badass capable of protecting his mate without some backup however. Perhaps that's just comparing to Christian.. cus really? not too many others are more badass than Christian.

Not sure why since looking at what's coming up from Lynn Hagen is the Remus brothers, I had a quick idea of Cash's 4 yr old nephew Dakota being Houston's mate.. but that would be a bit of a wait! Sometimes things really are what they seem. I'm sure we'll see that out soon enough.

Nice setup on the next mating with Simon... Simon.. has he been mentioned in passing? I don't think so? but it will be interesting to find out the story behind him.

As for Cash, Matthias I found to be the stronger character between the two. There is more to him than it seems, even to himself.

Ok read it just this storyline, felt like child's play. Not enough to depth.

While I have become very tired of the overall Brac Pack series, these latest Next Gen installments haven't bee all bad. Cash is a character from the other Next Gen books that I really wanted to read his story. I never expected him to be paired with Matthias. As the baby of the original vampire Christian and his two spouses, he was always so sheltered. This story also gave a little insight into the Remus brothers.

What a great book, Matthias and Cash made a fun couple. The storyline line was simple but fun, Cash has people from his past after him and he doesn't want Matthias caught in the middle. During the story you get to see characters from the Brac pack and Christian's Coven making appearances. All in all a fun book

These are getting better and better. I adored this one.

Eve Recinella (Between The Bookends) says

I'm enjoying this series as much as the original Brac Pack books. Love seeing the kids as adults, and the old guard coming to help out.
