**I Don't Want to Go to School** Gene Wilikers , A.J. Cosmo (Illustrator)

"I don't want to go to school!"

"Why not? It's the first day! Aren't you excited?"

Joey doesn't want to go to school and he has a whole list of far-fetched reasons to stay home. Can his mom convince him otherwise?

Perfect for first graders or anxious children returning from summer break. Fully illustrated in color.

Approximately 18 pages, 1k words.

## **From Reader Review I Don't Want to Go to School for online ebook**

### **Christina Beltran says**

#### **Repetitive and needs work**

I am not sure if this book was proofread. I won't be reading it again. Mom seems to not validate child's feelings and tells him that it is silly. Also something is alright you don't write it "all right."

---

### **Roger Royer says**

#### **Before school fun**

I actually liked that this book confronts a problem that my neighbor had with her little one. Believe it or not, when we let her read this cute book she laughed and had no problems going back to school.

That takes talent. I am grateful for the help that this book gave us last year and I am sorry that I am only now getting around to reviewing it. It got lost in the shuffle some how. Having just re-read it, I was reminded of her and what happened.

Great book for kids worried about school.

---

### **nia says**

#### **Going to school**

It is funny how things go on in your head and u feel so many ways and think of things that may happen,, good book

---

### **Diane says**

I was skeptical about reading this to my son, I didn't want him to get any bright ideas! But while there are, in my opinion 2 or 3 too many reasons (fears mostly) why the kid doesn't want to go to school, the mom is always able to reassure him that he has nothing to fear. And in the end he goes! The illustrations are funny/cute and I'd be interested in reading more by this author.

---

### **Brenda says**

#### **My daughter liked this story**

Addison liked this as a bedtime story because she says it's everyday at school for her...awkward. That being Said as a parent you hear I don't wanna go to school off and on throughout your child's school years. Now she. She says it, I can read her this and removing her it's not that bad.

---

### **Stephanie says**

#### **Too short**

I think it's a little TOO short but read the book because I think it's interesting and it shows another book at the end of it

---

### **Stephanie Davis says**

This is a really good book to read to children at the beginning of a new school year. Or maybe for a kindergarten who is new to school. Could be even for a child that had to switch schools.

---

### **Lorraine Grillo says**

#### **GREAT FOR KIDS WHO ARE AFRAID TO GO TO SCHOOL**

My son is scared of his first day of school so I read him this book among others. He's a little more comfortable now, still nervous but better

---

### **Alexis says**

#### **Very educational**

This book has many teaching moments. It talks about the fears that go through a child's head before they go to school and reassures them that everything is going to be just fine. I would read this to my class.

---

### **Laly Arce Chumpitassi says**

#### **Buena**

Entretenida y con buenos gráficos :)

La lees en unos minutos y pasas un buen rato aunque obvio es infantil.

---

## **Kaila Hines says**

### **Cute story**

Cute story that I enjoyed reading with my son. Only thing about this book is that for some reason the formatting for the Kindle is off. A couple pages are cut off on the bottom. We still loved the story and the illustrations brought forth bursts of laughter.

---

## **Beryl Rasmussen says**

### **It's a great story for kids.**

Everything that he worried about was so silly that it was so funny. The boy really didn't have to worry about anything.

---

## **Iran Colon says**

### **My 6 year old son loved it**

In his words "I hate school too. I understand " that is all.  
I still need 7 more words so here they are.

---

## **Zion says**

### **Cool**

I think this book was funny. Quick read I like it read it in one day. Even though I'm not much of a fast reader.

---

## **N.N. Light says**

The illustrations are cute but the message here is horrible. Anxiety is a real issue for kids today and for the parent to say it's silly does not promote healthy emotional kids. It sends the wrong message and I do not recommend this book.

My Rating: 1 star
