## **Married but Still Looking** Travis Hunter

Women have flocked to Genesis Styles ever since he was a teenager. He's a good-looking, smooth-talking former pro-basketball player, but he has a problem: He has never been satisfied with just one woman. Then he meets Terri and everything changes. Sort of.

Genesis knows that Terri is perfect for him, and they become engaged. But Genesis just can't seem to stop cheating on Terri nearly every chance he gets. Genesis's best friend, Prodigy, constantly warns him that he's going to mess up the best thing ever to happen to him, but Genesis is not ready to listen.

After dealing with a family crisis, Genesis realizes the importance of his relationship with Terri, and he begins to change his cheating ways. He knows that once he says, "I do," everything will fall into place. But it may be too late, because one of his past indiscretions comes back to haunt him, and Terri has a few surprises of her own for Genesis.

## Titilayo says

....it was cute in a sociology/Judeo-Christian/ATL shawty type of way.

---

## Yvette says

I read several good reviews on this novel so I decided to give it a shot. It started out ok but very quickly lost steam with me. If I can put a book down and not feel anxious about picking it up to continue reading it, that means its a no go for me. I really wanted to like it but it started dragging me into boredom!

## 4booklvrsonly says

Well I am currently only halfway through the book. So far from what I can tell you have a person who has been playing the field by dealing with married woman all because he does not want to deal with what comes along with commitment and now he is faced with either settling down with someone he loves or risking losing her because he doesnt want to change his ways. He has a huge fear of karma and is afraid to settle down because he is also afraid that what goes around really does come around. So far the book has been very interesting, very good read and I am so glad that there are authors out there that can stimulate the mind without feeling the whole book has to be about sex. Good Job Travis Hunter I am very pleased so far..

## K. says

I started this book on my Nook and I must say that Travis Hunter has done it again with "MARRIED But Still Looking ". This book was a great read. I like how the book was solely about the topic of marriage and cheating without too much drama thrown into the mix. This is a book that I would like to see expanded. A book about whether or not Terri and Genesis do get back together, whether Yogi and Genesis get together or if Yogi comes back... It was a great read overall. I couldn't put it down but I felt it left too many doors open.. That has us wanting more

---

## Yolanda says

I really enjoyed this read. A lot of thought provoking lessons to be learned. A very honest look at how the things we see in our childhood molds how we live our adult lives. However, we can overcome the negative cycles. A must read!

---

**Rachel says**

ITS ABOUT A MAN THAT WAS MARRIED BUT KEPT MESSING AROUND WITH OTHER WOMEN TIL IT GOT HIM IN TROUBLE THEN WHILE IN JAIL HE BEGAN TO FIND HIMSELF AND REALIZE THAT HIS WIFE IS THE WOMAN THAT STOOD BY HIM NO MATTER WHAT AND WANTED HIM TO CHANGE HIS WAYS. WHEN RELEASED HE ACTUALLY CHANGED HIS WAYS.

---

**Delya says**

Men ain't shit! Didn't really need to read the book for that though!

---

**Diane says**

Good family story. Will definitely read more by this author.

---

**Sophie Sealy says**

4.5
