Damar hening Sunyiaji says

Ini episode yang paling sedih dari yang tersedih,
sejak bertemu aokiji di long-ring-road-land,
Robin jadi sedikit berubah, dia menghilang dari perkumpulan.
Sementara itu ketika nami berhasil menukarkan uang untuk biaya perbaikan kapal mereka, usop beserta koper berisi uang dua ratus juta berry dicuri.

usop yang merasa selama ini tidak banyak membantu dalam pettempuran mulai merasa pesimis dan menyalahkan dirinya.

Ketika tukang kayu memeriksa going merry, mereka mengatakan bahwa merry tidak bisa diperbaiki lagi, sebagai kapten luffy memutuskan untuk meninggalkan merry dan mencari kapal baru, namun usop yang sedang sakit hati karena kehilangan uang tidak menyetujui pendapat luffy untuk meninggalkan merry, setelah berdebat sedikit usop mengajak luffy berduel meskipun ia tahu bahwa ia tidak akan menang melawan luffy,

bagian yang paling menyayat hati adalah ketika chooper berniat mengobati luka usop sebelum pergi berduel dengan luffy,

sambil menangis chooper yang berwajah manis itu mengatakan,
"usop mengusirku, dia bilang aku bukan temanmu lagi"

dua kali chooper hendak menolong usop,
sekali lagi ketika selesai berduel dengan luffy.

Sanji langsung mencegah chooper,
"Bayangkan sebagai seorang lelaki yang kalah duel kemudian mendapat simpati, bayangkan betapa terluka harga dirinya"
Pokonya jilid ini yang terbaik dan menguras airmata.

El que más necesitaba madurar de la tripulación es Usopp. Menos mal que después del time-skip se vuelve un poco más sensato xd.

Rolando Marono says

The good:

-Usopp stubbornness it was a good element in this volume, usually annoys me.
-Usopp vs Luffy.

- The nakamas are falling apart.
- The concept of divide and conquer is teased for this arc.
- What happen with the major of Water Seven.
- Frankie's powers.

The bad:

- They are moving very slowly, the story of Nico Robin was only teased again, since the volume 33, they are teasing something about her but they just don't get to it.

Silver says

Tensión constante en este tomo...

Abeer Albossany says

The arc begins for real and the Franky's family are shown to be the bad party! We also lost Mary-go in this volume. I loved the fight between Luffy and Usopp though, and I sided with Usopp!

Amy says

First of all, the artwork improved a lot. So, this is the first climax of Water 7 arc, and a very sad one indeed. The Galley-La company couldn't repair Going Merry and it was up to Luffy to decide whether to buy a new ship or not. Usopp being kidnapped by Franky House, lost the 2 billion beli, felt guilty and even despair when Luffy decided to change the ship. He challenged Luffy into a duel, and obviously he lost. That was really really sad, their friendship was challenged and the crew looked like it's falling apart. Oda-sensei really did a great job on portraying their emotions the whole situation there. The assassination of Iceburg was also shocking for everyone but not me of course, haha, I enjoyed this volume a lot. and yeah... 4 stars!

Thelma says

This arc is so painful. First because of the Merry. And due to the tensions in the crew. I do think Luffy handles it as best as he can. But it hurts to read anyway.

Jeanine Carstairs says

DEFINITELY ONE OF THE MOST HEART WRETCHING PARTS!!! RTC

S. J. says

+ Classic Luffy to not want to believe the truth. Merry Go is a part of the crew and he will do anything for his crew.

+ The three strong guys going to kick butt at the Frankyhouse is AWESOME!

+ The opening fight between Luffy and Usopp is classic for both of them. Usopp will not let go of Merry because (though he never says it) the girl he loves gave it to them. Luffy is angry to have to make this Captain choice (the first truly hard one he's had to make) and he takes it out on Usopp.

+ Usopp.

quit

the

team.

!!!!!!!!!!!!!!

+ Merry is crying. I'm crying. This is so sad. Then Luffy beats him badly (though he knows he has to fight him) and gives him the ship. Yeah, wrench those heartstrings.

+ The best part of the book:

Luffy: This is too much!

Zolo: That's the burden of being captain. Don't doubt yourself. If YOU start becoming unsure ...who can we have faith in?

+ Mr. Iceberg has had an assassination attempt on his life.

+ Uhhhh. I think I'm blind. The guy in the speedo (Franky); I'm seasick from seeing too much. And he's a Cyborg?!

+ Nico Robin did it!? NOOOOOOO! I don't believe it!

+ Of course the Straw Hats are blamed. Aren't they lucky?

Nidah (SleepDreamWrite) says

Good volume.

Arwen84 says

- Water seven: La notizia che la Merry non può essere riparata :((((

- Lo scontro tra Rufy e Usop

- Arriva Franky

- In cosa è implicata Robin?

Bel volume, pieno di eventi, la mia parte preferita è sicuramente quella dello scontro Rufy-Usop, la tenacia di

quest'ultimo nel difendere la nave della nostra ciurma mi ha fatto una tenerezza incredibile facendomelo apprezzare ancora di più. Ha dimostrato il suo coraggio combattendo per difendere quello a cui tiene, addirittura schierandosi contro il suo amico/capitano, cosciente di non avere speranze! :)

Rumpelstiltskin says

Usopp me desespero un poco, pero al final fue todo muy sentimental.

Riley says

The tension in this one and the fight between Luffy and usopp ??!?? Made me tear up .
