**Sly Spectral Trick** Jet Mykles

Series: Heaven Sent; Previous book: Heaven Sent: Faith.

Genre: Yaoi Erotic Contemporary

Length: Halloween Treat

Chris is warding the house against ghosts? Huh? Darien's pretty sure Chris is pulling his leg, but his dignified lawyer lover seems awfully serious when he tells Darien that there's a history of ghosts in his family and he needs to ward the house before Samhain officially starts. His grandmother even calls to make sure he's doing it.

They're kidding, right?

When he finds out the truth, it's better, and sexier, than he could've imagined.

Publisher's Note: This book contains elements that may be objectionable to some readers: m/m sex practices.

## Alisa says

3.5 stars

A bit spooky. A lot steamy. Fun little Halloween read about Darien and Chris.

## Tara says

While the book of Chris & Darien didn't do it for me, this short was cute. It showed a playful side of the relationship although I still confess that they don't quite seem believable as a couple.

## Elisa Rolle says

Darien and Chris plan to spend Halloween alone in Darien's house and so he has bought a lot of candy, even if perhaps no one will ring at their door. But when he arrives home, Chris is busy in put a ward around the house to take out the ghosts...

In this little tale, Darien, the usually happy-to-go character of the Heaven Sent series has to deal with an unknown aspect of Chris: is he really worried for the ghosts or has he planned a little trick or treating for his lover?

I love Heaven Sent series and always read with pleasure a new enstallment on it. Can't wait for January and for Heaven Sent 5.

## **Holly Full Moon Bites Book Reviews says**

This was a nice short story about Darien and Chris, it was nice to see how there relationship is and to be able to read of them again. Again short and as most know I don't really like short stories, but I did love these characters so I couldn't help myself.

## **Karen says**

Another cute "Heaven Sent" holiday short. Although this one was intended to go with Halloween, there was a touch of April Fool's in there as well.

---

## **L-D says**

This short story was okay. I didn't really connect too much with Darien and Chris in their book so that is probably why this short was a little lukewarm for me. Again, I wish this was a free download due to the short length.
