## Taming the Tongue: The Power of Spoken Words Alex Uwajeh

The words you use are tools of communication. However, it's the way you use them that has the real power. When you have an optimistic frame of mind, you're far more likely to recognize opportunities when they arise. The tongue has the power of life and death, and those who love it will eat its fruit. For as a man thinketh in his heart, so is he. The way you use and choose words defines who you are. Words have power. God created the world with words. The Bible plainly says, we shall decree a thing and it shall be established. Are you ready to harness the real power of spoken words?

## **From Reader Review Taming the Tongue: The Power of Spoken Words for online ebook**

### **Sharyn says**

#### **The word of God is powerful**

Applying the scriptures presented in this book into your life will Change you and your speech! There is life in the Holy scriptures!

---

### **Ella says**

Parts of this book reminded me of things that I learned years ago. The best part of my the time I spent reading this is the peaceful feeling of wellness. There is scripture in various parts of this book, which is very nice. it made sense with each lesson and was a reminder of. parts of the bible that I haven't reread for this year. I was also reminded of scripture that I read recently and/or heard about in a sermon. I plan on rereading the parts that I highlighted throughout the year. I really liked the confirmations at the end.

### **Huggiworld says**

#### **A Pleasantly Surprising Read**

When I set out to read Taming The Tongue: The Power Of Spoken Words I expected a refresher on being careful about the words that I speak. However, I was pleasantly surprised when it actually discussed how my positive words can be life changing for others and also how other's hurtful words can negatively impact me. The words that you say and the words that you hear from others have the power to change your entire life. I was encouraged to seek ways to build and uplift others as well as guard against others' ungodly words. Remember: Adam sinned because he listened to someone else's words. Genesis 3:17 "Because you listened to your wife..." Eve listened to the wrong spoken words and it cost them both what they were originally intended to have. This book, though it could be formatted better, is a helpful, quick and easy read.

### **Cheryl Holmes says**

#### **Taming the tongue**

I liked this book. Much of what was written I already knew, but it was good to read it again. The quotes from the bible were very good and quite helpful.

---

## **Donna L.Hodgdon says**

### **Great truths**

So many great Biblical truths and the verses to go with them, inspire us to use words to love and make others feel great.

---

## **Sarah says**

This book had a lot of scriptures at the beginning and then full of the power of positive thinking stuff scriptures tacked on for the rest. I'm all for speaking truth to yourself and being positive, but this book feels like a bible study and a cheap self-help book collided, but they didn't mix.

---

## **Ntombezinhlle Nzama says**

### **Power of your words**

This book makes you think about what you think and say and how your words have power over your life and circumstances

---

## **Misty Villanueva says**

### **Eye opening**

I'm not innocent of having an untamed tongue. Great advice really gives the reader good tools...God is good. His faithfulness endures forever.

---

## **terry says**

### **Inspired by the word of God.**

Because I believe the writer was inspired by the spirit to teach us through God's word I give this book 5 stars. This book has been added to my tool box to use in my life as a believer and a recovering addict. I would recommend it to all mankind.

---

## **Frank E Freeman says**

### **It was free and almost worth it.**

I downloaded this book because I assumed it was about choosing the right words when communicating and finding the hidden "baggage" that went along with them. Surprise! It is actually just a bunch of Christian bible-banging bullshit. Page after page of quotations from the greatest work of fiction ever written, with some bumper-sticker homilies thrown in to lessen the pain. Please put a clue in the titles and or descriptions of your books.

---

### **John Billings says**

every good book on the power of your words

---

### **Janet says**

It was short but thought provoking.

---

### **The Book Man says**

~ "The words you speak can uplift and inspire people to love, laugh and achieve great things."  
~ "Words have power. God created the world with words."  
~ "Words are beautiful. They express your emotions and thoughts. You have the freedom to choose the words you speak."

DON'T LET WHINERS AND NEGATIVE PEOPLE BRING YOU DOWN

---

### **lystra julien says**

#### **Truth**

This book was good I had always believed in the power of your tongues I have lived this experience myself

---

### **Katrina McCue says**

**Amazing!**

I recommend this book for anyone who is struggling with issues of the heart, wisdom, or trying to overcome unforgiveness or bitterness!
