This volume was stellar. I am all for the trio ~~before the inevitable tragedy~~.

Sharle's quite naive but her determination can certainly be inspiring- nevertheless I fear she was very lucky to encounter people who were willing to help her out; what if those guys were out to get her for her money instead? But maybe life is like that, despite the evil there can be forces of good at work (sometimes...??).

The specials at the end are also very funny! ??

Gabriela says

This was really good, but I need to know what happened to Kuklo!!!

Ho sempre adorato questo prequel e mi ha appassionato dal primo volume. Mi piace come si sta cercando di mostrare la nascita dell'attrezzatura per la manovra tridimensionale e anche come si è evoluto il personaggio di Sharle che poteva sembrare la solita ragazza dei manga che fa la bella statua invece è molto attiva, furba e non ha paura di farsi avanti e combattere. Spero però che si arrivi presto alla conclusione e la storia non venga troppo tirata per le lunghe perché si aggiungono ogni volta nuove cose e da un certo punto di vista è tutto un pochino incasinato se non si segue bene la storia di volta in volta.

Sebetulnya agak berat buat saya nerjemahin jilid ini. Selain isinya serius-serius melulu (dari jilid-jilid kemarin juga udah serius mulu kok, Gie), setengah akhir jilid ini diisi dengan flashback zaman Angel, Xenophon, dan Coreena 15 tahun lalu, terus Kyklo dan Cardina gak ada kesempatan muncul di cerita utama jilid ini (cuma ada di cerita tambahan), jadinya saya kekurangan Cardina--sakaw Cardina. /iya, Gie, ini sesuatu yang terjadi sama diri elo doang/

Gitu deh.

Tapi, cerita tambahan di akhir jilid ini maniiis betuuuuuuulll~~~ Uwuwuwuwu~~~ Cardina jadi mak comblang Kyklo dan Sharle~~~ Cardina lucu bangeeet, dia emang mood maker andal!

.....Terus, review ini pada akhirnya (lagi-lagi) diisi dengan ocehan tentang Cardina. Cardina is life.

Jaime says

This was a fun volume. I like that Sharle is becoming a stronger character. She is determined and has a lot of courage. I also LOVE reading about how the vertical maneuver gear and the bamboo swords were invented. It's so cool to FINALLY get the back story on those items. I enjoyed this volume a lot.

Fiction State Of Mind says

This volume continued to expand on Angel's past and the first usage of the Titan gear. Lots of revelations as Sharle schemes to get away from her brother

Parte la ricerca di Angel ed un tuffo ulteriore nel passato
