Loved this series from the beginning & already cannot wait for part 2 !!!!

Nicholas & Rebecca are desperately in love & are getting married, as always things are just not that smooth.

With a father in the way thinking that Becca is in it for the wrong reasons & the relationship we know with Nicholas and his mom not great he only has his dad as a parent & just doesn't want to lose him but the small voice in the back of his head what is he going to decide to do ??

Becca I love her she's so real and genuine & doesn't even realise how much she has Nicholas wrapped around her finger, but will this always be the case.

Part 2 can't come quick enough I need more

this book made me so happy. I love this series and have been so excited to get this new volume in my hands, but I couldn't be prepared for how great it would actually be. I had a lot of unanswered questions after volume 3 and reading drawn to you and with this I finally started to have some of the answers that I so wanted. I love seeing each characters personality show up in some of the situations they are put in. There are some great surprises that had me too excited to put the book down and I finished it in one sitting. Vanessa Booke has never disappointed me and this is just another reminder iof why I love her writing so much. I cannot wait to get part two in a couple weeks!

I didn't realize how much I missed Rebecca and Nicholas until I read this little slice of heaven! Now, don't get me wrong, I love Tristan and Emily, but Rebecca and Nicholas have a special place in my heart. I also forgot how much I relate to Rebecca. Her insecurities in this book make it so real and so does Tristan's. This book also proves that changes aren't always a good thing. Nicholas is faced with a hard choice---something he knows he needs to talk to Rebecca about but dreads for fear that it won't turn out the way he wants. Rebecca gets his with a doozy in the end of the book and she fears that what she's learned will break everything she holds so dear.

I've always been a big fan of Vanessa. Although her books are shorter than what I usually like, she's literally one of the 4 or 5 authors that I cannot wait to dive into again...no matter how short or long her books are! I was honored to take part in the read for this and I can only hope I get the distinct pleasure again. You can go wrong with this continued story of Nicholas and Rebecca!

Nicholas and Rebecca are embracing and enjoying exploring life as a couple. As they begin to plan their wedding, they live with the threat from Nicholas' father to disinherit him if he marries Rebecca. As wedding plans are under way, Rebecca is struggling with the stress from Nicholas's father along with wanting to find a new job. An old nemesis resurfaces and secrets from family members are revealed keeping the drama high. What I love most about Vanessa Booke's writing is her sharp wit and humor that pervades the characters' lives and stories which makes them feel so real. She consistently delivers again and again.

Oh how I missed Nicholas and Rebecca. Let me tell you; it was well worth the wait! I LOVED Bound to You: Vol. 4 Part 1! I literally devoured this book in one sitting!

This book has it all... Tons of super, hot, sexy fun!!! A lot of laughs!! All while Nicholas and Rebecca contend with some frustrating issues and complications trying to pull them apart! I loved that there were a few twists that I wasn't expecting in there too! It was cool to see Tristan and Emily in there too and get a glimpse of their life together.

Vanessa Booke is an amazing writer who really has a way of drawing you into her books. Bound to You: Vol 4 Part 1 was no exception. I can't wait to see how Nicholas and Rebecca's story ends.

This book is everything I was hoping for!! Nicholas and Rebecca get 5 amazing stars from me!!

If you have loved this series from the beginning then this book is going to quench that thirst you have been waiting for. We have grown to love Nicolas and Rebecca's crazy and emotional relationship. And, now everything is going to come to a head. Questions we have had are going to be answered. And there is some fun twist and turns. Ladies, you are going to be fan firming all over Nicolas and all of his sexiness. Rebecca is a bombshell that I have fallen in love with since the beginning, and I have always been intrigued by her. The one thing I love about these two is you feel their emotions and their desires, and you will get lost in them. I literally DEVoured this book in one sitting!!! Now if you are a fan of my man Tristan Knight and have read Drawn To You, then you going to to EFFING love when him and Emily pop in to the mix!! I have been waiting for this forever!! And OMG it did not disappoint!! I'm having some serious withdrawals already!!! Thank Goodness I don't have to wait long for Volume 5, cause I might not make it!

Vanessa~ You are an EVIL woman for leaving us like that!!! Why must you always do this to me!!

Great new book in the series as part 1 of the conclusion to Nicholas and Rebecca's story. The story is well written and edited. I love how the author intertwines the story of Tristan and Emily in with Nicholas and Rebecca, but not so much that it takes away from Nicholas/Rebecca's storyline. I can't wait to see how this ends. I would have liked the author take a little more time with the sex scenes. They felt rushed and I wasn't able to fully connect. Received book from author in exchange for honest review.

This is by far one of my favorite series Nick and Becca are absolutely wonderful. I can't seem to get enough of them, Nick is struggling with inner issues he is scared that Becca is going to leave him. Nichola's father is completely against him getting married to Rebecca he wants him to change his mind, but he won't so now he is going to go after Rebecca and try to pay her off so she will leave Nick alone. Nicks biggest fear is that she will turn out to be just like his mother and leave him in exchange for the money his father is willing to pay her. An unexpected surprise will definitely change the way things play out. Will Nick and Rebecca finally get their happily ever after? Will this new twist tear them apart or bring them closer together? I can't wait to continue reading. Major cliffhanger but I know the next book is totally worth the wait, fabulous series a definite must read!

Never a dull moment when Nicholas Stonehaven is in the picture. Bound to You 4 gave me exactly what I was waiting for and still wanting for more. Love, comedy, passion, excitement, and suspense as to what will happen next, made this story so complete for me. This series has really done it all, and I can't wait to see how this awesome story ends. It is a bittersweet thought, but I'm anxious for it all to unravel between Rebecca, Nicholas, Emily, my Tristan, and Stephan!!!! Awesome read by Ms. Vanessa Booke!! Keep em coming pretty lady!!!

The wedding is finally here, and not without its troubles.  
Nick's dad is still being an ass, and does not approve of this union.  
Becca has a lot of stress about this and is not feeling well.  
So is trying to get a job, which isn't easy. And she has an interview from hell.  
She finds out about a secret she can't tell Nick. Which puts even more strain on their relationship.  
I like these characters a lot, I'm curious about part 2.  
And how Nick is gonna react to the news, it wasn't a shock for me. I saw it coming but still.  
And I hope he destroys that check before Becca gets to know about it. Because I don't see her reacting well to his lack of faith in her.

Nicholas and Rebecca are one of my favorite couples. Since the moment I met them on Bound To You, book one, I was hooked. Witty banter, sensual and smoking hot moments, I was glad to see again.

Damn, Nicholas, you're my dream guy and Rebecca is his perfect match! For the ones who read the first books, the scene in the elevator was totally memorable. Rebecca, you're my girl!

Blissfully happy, these two lovebirds still crazy in love are planning the next step : their wedding. While trying to find a balance as couple and with their issues, we got to see Nicholas and Rebecca's insecurities.

There was such a great dynamic with this couple, just sizzling, with the desire for each other constantly growing. Just getting hot in here!

As usual, his relationship with his father bring back old memories and scars deeply buried. Is Nicholas going to get over it? Is he ready to show his vulnerability to Rebecca?

With some surprises thrown into the story, and Nicholas, cocky, sexy arrogant man totally in love with his feisty red-haired, I was sold. Vanessa did it again : I'm falling in love all over again with Nicholas.

And when things were getting interesting ... Bam a cliffhanger!! I was thinking : this is already the end? Next book please???

What a wonderful way to come back to Nick and Rebecca's love story! I felt warm just reading about their romantic and luxurious stay in Paris. The very steamy scenes of intimacy were absolutely welcome, but there were other reasons too why I enjoyed this comeback.

Problems, lots of them! They face a lot of changes in their lives, opposition from family, tension and doubts. Nicholas' possessive need for his fiancée was endearing and I felt for him and his insecurities born of so much abandonment in his past.

It was great to meet Tristan and Emily again with their own trial with love matters. I'm excited to find out how the cliffhanger will affect this gorgeously sweet and sexy couple in the next and final part.
