Covenant Relationships: A Handbook for Integrity and Loyalty Asher Intrater

Discover the Biblical Blueprint for Building Relationships that Last!

Even though the topic of relationships is very popular, few individuals ever reach the point of building deep, lasting, and meaningful bonds with others. Why do our connections with other people seem to stay superficial and never go beyond the surface-level? Because we've drifted away from the Biblical blueprint of what covenant relationships are intended to look like.

In this revised and updated edition of Asher Intrater's classic, *Covenant Relationships*, you will receive time-tested practical keys that show you how to build relationships that:

Are spiritually and emotionally fulfilling for everyone involved. Remain intact and solid, even in the middle of conflict and disagreement. Reflect the timeless values outlined in Scripture. Free people to truly be known by and share life with others.

Relationships are the meaning of life!

It's time to move past the popular "take-it or leave-it" approach and build deep connections based on loyalty, authenticity and covenant.

For God's people to rise up and walk in new dimensions of love and effectiveness, we must be knit together in covenant relationships!

Good working book.

Good book on applying the covenant principles to leadership in a congregation. He used a lot of scripture to back his teaching and showed good examples of how this works
