## Death By Field Trip: A FoxTrot Collection Bill Amend

It's indisputable at this point: *FoxTrot* is one of the most loved strips to ever hit the funny pages. Creator Bill Amend's *FoxTrot* collection, *Death by Field Trip*, adds to the strip's great legacy.

*Death by Field Trip* follows the humorous exploits of teenagers Peter and Paige and their imaginative little brother, Jason, as they balance the pressures of the modern world with the daily complexities and clashes of family life. Parents Roger and Andy round out the Fox family five and try to referee the sibling squabbling that never quite fully subsides.

## Dante says

Foxtrot is usually pretty decent but they do not particularly stand the test of time like say Calvin and Hobbes does. If I rated it when I read it, it would be a solid 4 stars.

This collection of newspaper cartoons features an extended sequence in which Jason uses the Dr. Seuss character, the Grinch, to complain that his mother's efforts to keep Christmas healthy and non-commercial (as Mrs. Grinch) are spoiling the holiday for him and others in the family. Andy's perfect mother comes to visit for Thanksgiving.
