Rebecca says

Ah, the well-meaning friend who sticks her nose where it doesn't belong and screws everything up! Not a fan of that character, but if she can get Aoi to actually communicate with people, it'll be worth it.

Sevimli H?rs?z says

Koc mangay? s?rf çocuk k?za "seni seviyorum ," desin diye okudum. Sonunda da bir halt olmad?. Çok kötü de?il ama okumazsan olmaz da diyemem. Zinhar Shuusei'nin her yerde Aoi'ye sulanmas? tiksindirdi.

Estefany says

Estos cada vez estan mas locos XDDD

Phoenix2 says

For dad problems to high school problems. Aoi just will never have her chance for a happy ever after.she at least got back to likable and the new characters are nice too.

Michelle says

Read it!

I love LOVE this series! I cannot wait to read what happens in volume 11! Such a fun romance manga to read!

Ady Weasley says

odio a Kaede... por que Aoi insiste en ocultar su relación... no estará lastimando a Shuusei?

Melissa Cossalter says

Era da mesi che non continuavo il manga, ma finalmente mi sono decisa e ho letto il decimo volume tramite scans.

Sinceramente mi sarei aspettata qualcosa di meglio, un'evoluzione della storia.

Finalmente dopo molti volumi, i due si mettono finalmente insieme, ma questo dura poco, dato che compare il padre e scopre che sua figlia minorenni convive con un ragazzo a sua insaputa. Trovo che la vicenda sia parecchio monotona, anche perché penso che sia palese che alla fine i due staranno insieme sempre e comunque.

Elaine says

Why Why Why...I doN#t really know how to feel about this installment...the ending was good though.

Kristin El says

The cute couple volume.

Diana says

Mucho relleno con drama ??

Jessica says

English edition.

Leanne Crabtree says

Huh, just to add another element to this tale Shuusei's ex has decided that she still likes him and Aoi is feeling guilty about it all since they're now secretly together. Ugh! Can't you just get together properly and just to hell with everybody else--strict parents and exes stay away?!?!

Summer says
