### The Neighbor's Daughter

Greg is an unapologetic playboy who just moved in to the neighborhood a year ago. Crystal is the neighbor's once shy introverted daughter turned vixen. Find out if Greg the stud can resist the wiles of this hot young thing that's set on losing her innocence to her favorite guy.

### She's Gonna Get It

I waited for the first story (of the 3) and I thought the entire book would be about couple 1, I was so excited! But... Even through my initial disappointment I knew that J.S writes top notch hot books, and this one was seriously good. SO worth the wait! :D

### **Chantal ❤? says**

This is a three in one book anthology by JS which consists of short smutty stories about Neighbors. It's hot

and quick and has a little bit to do with relationships but not much mostly it's about hot naughty sex. It's a quick read and I enjoyed it.

Please note:

Its not for everyone as the men are all experienced and the women are all innocent. Also, it's not about safe sex so you are warned.

Good read and glad I did not get the anal sex fest.

Good read before bed with your partner. If you know what I mean.

Happy reading!
