## **NOT A BOOK: Amazingly Broken NOT A BOOK**

*New Adult and No cliffhanger!*

### **Life threw Elana a curveball...**

Her mother died in Iowa and Elana was left to fend for herself with an abusive and drunken father who couldn't care less about her well being. After years of heartache and pain she graduated from high school and moved to Florida to go to college with her best friend Tiffany.

### **A new beginning...**

That's where she met Jaxon. He was everything she didn't need. He was a cocky, tattooed, and a beer drinking musclehead. He was the type of guy that she normally would have avoided given her circumstances but when he offers her a bed to sleep on she can't say no.

She never thought that she would discover they weren't much different from one another and that he had his own secrets and scars he didn't want revealed to anyone...

## **From Reader Review NOT A BOOK: Amazingly Broken for online ebook**

### **Parajunkee says**

PARAJUNKEE'S VIEW DOES NOT SUPPORT PLAGIARIST. Will not review because of this:  
<http://dearauthor.com/book-reviews/th...>

---

### **Kendall {Book Crazy} says**

My review has been deleted due to this book being a complete and utter lie.

---

### **Kristen says**

**It seems as if Jordin Williams has copied large portions of Tammera Webber's and Jamie McGuire's best selling books Easy an Beautiful Disaster, respectively.**

**Check out this link from *Dear Author* for comparisons.**

<http://dearauthor.com/book-reviews/th...>

---

### **The BookChick says**

I have removed my review based on the news about plagiarism about this book.

In my original review I said it was Beautiful Disasterish but little did I know how accurate I was. I am doubly irritated because the author, who presented himself as a woman, contacted me and asked me to review the book before it was live. After it was live he contacted me a couple of times to ask me to post a review and on FB stated that he wanted to make it to #1 on Amazon. I'm feeling personally used and deceived. You got me "Jordin Williams". I want to find you and mow you down with my car.

---

### **Smitten's Book Blog says**

#### **★ WARNING ★**

Have you read or purchased Amazingly Broken, by Jordin Williams???

If you have, you need to *get a refund*. If you haven't, *don't!!*

**Amazingly Broken has been removed from Amazon and BN due to plagerism.** I'm so shocked that anybody would have the brass neck to do this and think they'd get away with it. There are some truly warped minds out there.

Anyhow, huge chunks of text from Tamara Webber's 'Easy' and Jamie McGuire's 'Beautiful Disaster' can be found in Amazingly Broken, and Jordin Williams hasn't even had the decency to try and mix it up a bit.

It's so so sad... I had already decided to take on less review requests because of the sheer number coming through lately, and also because of the low standard of some of the books I've come across recently. And now, after this, I will be even more cautious.

I guess, with all the amazing plus points for the indie author community, there are also the negatives too, including poor writing and dishonesty. \*sad face\*

Check out the link below for the full story and damning evidence.  
Unbelievable.

**Full article >>>** <http://dearauthor.com/book-reviews/th...>

And the plot thickens. All authors involved are named and shamed in the following link...  
<https://word.office.live.com/wv/WordV...>

---

### **The BookWhisperer says**

REVIEW REMOVED THIS BOOK IS A GHOSTWRITER'S WORK THAT COPIES OFF BEAUTIFUL DISASTER AND EASY. WE AT THE BOOKWHISPERER DO NOT SUPPORT PLAGIARISM.

---

### **Bayli says**

Warning to EVERYONE that has considered reading or has already bought this book. I recommend returning it ...

It was Plagiarized.... She copied huge chunks from Tammara Webber's book Easy!!!

here's the link so you can see the proof.

<http://dearauthor.com/book-reviews/th...>

I try to not get involved in these things.... But as an author I cannot sit back and watch this happen and not say anything.

### **Edit**

Pieces of Beautiful Disaster was also found in this book.

---

### **Nic says**

I WILL NOT BE READING THIS BOOK! I DO NOT SUPPORT AUTHORS WHO STEAL FROM OTHER AUTHORS!!!!

---

**Michelle [Helen Geek] says**

06/26/2013 --

**UPDATE!!**

**I just found out this book was a total plagiarized mess. Check out this link:**

**<http://dearauthor.com/book-reviews/th...>**

**Thanks to those who let me know. I rated it 1 Star all on my own from what I read. It earned it even without my knowledge of the dirty deeds done by this so-called author!!**

06/24/2013 --

**Overall Rating = 1 Star**

**Book Cover / Book Blurb = 4 / 3 = 3.5 Stars**

**Writer's Voice = 1 Star**

**Character Development = 1 Stars**

**Story Appreciation = 1 Stars**

**Worth the Chili = 0 Stars [\$2.99 on Amazon] -- see plagiarism note above ...**

I'm sure there is an audience out there for this rather simple book, but not me. Nothing complex about it. Nothing original. It has a great cover. That's about it.

There really was little to no character development. The storyline didn't make a great deal of sense.

Rather awful really.

I was definitely not happy reading this one. Hope you have better luck.

---

**?Karlyn P? says**

**This book is a plagiarized rip off of Easy and Beautiful Disaster**

The full details regarding the plagiarism:

**<http://dearauthor.com/book-reviews/th...>**

Fortunately, Amazon has removed it from its catalog.

It appears the author claims her ghost writer made the errors. Either way, it's plagiarized.

---

## **\*J\* Too Many Books Too Little Time says**

UPDATE/WARNING:

Apparently this book was plagiarized! I clearly didn't get far enough in to the book to discover this....but regardless, that is just wrong.

Original Review:

Um.....yeah, NOPE!

DNFing this one at 21%.

Cheesy dialogue--check

Tattooed bad boy hero--check

Virgin heroine--check

Heroine's mom died and dad is abusive--check

Man-whore hero--check

Elana leaves Iowa for college in Florida to escape her alcoholic abusive father. She meets Jax in Art class. He invites her to a party. She sees him drag racing and fighting and freaks out because he reminds her of her dad.

Elana is currently living with her BFF Tiffany and her boyfriend Lance who just happens to be Jax's BFF. But life on the couch gets old...so Jax offers for Elana to stay with him. Um....what? Yeah, she's going to go live with the guy who she just met and was scared of the night before. Hmm....

Jax goes from barely being there to then bringing different girls home for a week...while Elana is in his bed. Honestly, neither Jax or Elana are very likable at this point. This is where the dialogue turned really cheesy...and as soon as he started calling her Toots I was done! I thought maybe it was just a one time thing but NOPE. He kept calling her that. Worst. Term of Endearment. Ever.

And I'm out....I have no clue how the rest of the story goes and I don't really care. It did seem to have a Beautiful Disaster feel to it....but again I didn't read enough to fully form an opinion on that. Moving on....

---

## **~ Becs ~ says**

Well, if you liked this book - don't feel so bad. Turns out it was mostly written by Jamie McGuire and Tamara webber!!

<http://dearauthor.com/book-reviews/th...>

---

## **Sharon ☠ is an emotional book junkie ☠ says**

7/3...Wow. the "book" *is back!!* and of course all my info and links about the plagiarism are gone.

so im linking them again....readers need to be informed!

<http://www.teresamummert.com/1/post/2...>

<http://dearauthor.com/book-reviews/th...>

**ETA** Found the first book and all the links so that makes me happy that they weren't deleted! *But...* the first book/reviews/info does NOT come up when u search for Amazingly Broken. hmmmmm...here's the first book:

<http://www.goodreads.com/book/show/17...>

Merged review:

**6/27 ~ more drama! (thanks Lkay)**

<https://word.office.live.com/wv/WordV...>

\*\*6/26 ~ wow...plagiarism....*really*?? Why would anyone do that esp when its sooo easy to find out?? or do it at all...anytime!!

shame shame!

<http://dearauthor.com/book-reviews/th...>

and on twitter she's saying it was done by a ghost writer...???

<https://twitter.com/JordinBWilliams>

Jordin Williams ?@JordinBWilliams 1h 6-26-13

"I am officially letting all funds go. I'm sadden by this that a ghostwriter did this through guru. Thankfully I never received any money."

---

### **Catarina says**

So, this is the story of Elana and Jaxxon. They met in Florida when attending the same college. Both of them are broken and hiding secrets... but somehow they can't help being attracted to each other and against their will, their relationship will mess with their lives and they will find out that sometimes things don't go as we expected.

I tried. I really tried to like this book. The blurb seemed great and I was anxious to read it. The writing was a little off for me since the beginning but I was able to ignore it because I was actually liking the book at the first pages.

From that point on, was downhill until the end.

It began to look like a cheap copy of Beautiful Disaster. Since the sexy tattooed playboy with anger issues and family problems, to the girl daddy issues: he used to be famous in something and now is an asshole and don't care about her, to the dangerous hobby of the hero and his hordes of girl fans, to the annoying heroine (really, she annoyed me even more than Abby in BD and believe me, that's a hard thing to achieve). I mean the guy treated her extremely well, offered his house and his bedroom and slept on the couch and she treats him like he is trash. Can you say ungrateful bitch?

I couldn't connect with the characters and somehow along the book I lost interest in the history.

Maybe it's my problem (it probably is) but this book wasn't for me! :(

---

### **Sofia says**

Because i wanted to be fair i read the whole book, even though by the 13th chapter i had already an opinion. How can i say this?? The story for the first chapters seemed forced and boring.. I am sorry to say this, because of the trouble it might took to write and publish this book, but it's a bad copy paste of 'Beautiful Disaster'. And i am not talking about some similarities only, i am talking about part of this book that was actually 99% copy paste from 'Beautiful Disaster' by Jamie McGuire! Referring to the first sex scene between the main characters which was almost in actions and lines COPY PASTE! If this book is some kind of tribute for the 'BD', good try.. not so succesful. But if not, WTF?!!!!!!!!!!!!!!

Again, to be fair.. IF i didn't had known that 'BD' exist and only read 'Amazingly Broken' i would say that it was a good book, however the story was all over the place. It could have been writen better. BUT...!

NO FAIR FOR THE OTHER AUTHORS! IS IT LEGAL TO COPY PARTS FROM OTHER BOOKS??!

---
