The Geronimo Stilton books are incredible! They are such great transitional chapter books. They have some good vocabulary and have colorful adn words and the size of the words change often. I think these books are entertaining, fun and will really appeal to first, second, and third graders. I especially loved this one because it talks about a singing competition and I was able to relate to it really well and it reminded me when I auditioned and was casted for Annie.

### **Jannat Sandhu says**

Ahhh... another childhood book! I remember eading these books all the time when I was like 8. But I enjoyed them way more back then because I guess I am into other stiff now and this was to child-ish. (if that is a word) So that is why I gave it 3 stars but when I was younger I would have gave it 4 or 5 stars.

This book is about Geronimo Stilton who enters a singing contest (Mouse Island Idol) and he wins but there was problem his songs are a hit everyone is listening to it but sales going down because someone pirated the CDs. Now it's up to Geronimo and his friend Hercule to save the day. I read this book again because I was a Geronimo Stilton fan. When I was 8 I bought this book. Since it was 5 years since I read this book I decided to read it again. I would recommend this book to Joshua because he enjoys Geronimo's adventures.

3.5 stars

Its a good book.

Here Geronimo once was singing in his washroom where his friend listened it and applied Geronimo in a singing competition. He was very nervous and was not ready for this competition but his nephew encouraged him and said he really wanted to see his uncle (Geronimo) in mouse Island Idol and then his friend made him a strict plan. Not letting him eat any cheese food and on a diet. Then he goes in the competition and bags 1 place. His song becomes a great hit but his song sales are coming down. The CDs are not getting sold. But his songs are being played every where. So he and his friend Hercule poirat, a detective takes up this case and catches the thief who pirates the CDs.

### **Shaihak says**

I liked this book because hercule poirat likes banana bonanza buffets and champ strongpaws everytime he wants to see geronimo in his crazy races

---

### **Janaan says**

I read this at home because I already finished my library book. This book was horrible. It was about how Geronimo Stilton applies for singing competition. His song becomes a hit. But his songs sales are going down, even though it is being played everywhere. Geronimo and his detective friend, Hercule Poirat must get to the bottom of this. The older versions of Geronimo Stilton were better. The chapters in these books were only about 1 page! I would not reccomend this to anyone, who doesn't want to read short and Cheesy books.

### **Lauren says**

If you're an adult never read these books their easy and tell weird stories. I don't like them...

#### **Singing Sensation (Geronimo Stilton #39) by Geronimo Stilton**

##### **Non-review rant**

I liked illustrated books. I am too old for it, but I still do. I read all the Geronimo Stilton books in the library, in 2015. All the books I have read in the series, amused me immensely. and the illustrations are really nice.

##### **Review**

This one shows Geronimo participating in a singing show and the adventure that unfolds thereafter.

##### **Verdict**

4/5
