When I saw this I just HAD to buy it because... well, Ballet. LOL.

Lacie Kronfeld says

Great read for 3rd grade girls, I loved these mysteries when I was that age and my daughter reads them now.

Melissa says

I grew up with these girls in the spotlight but never read one of their kids books. It was cute and enjoyable.

JadeShea says

Mary-Kate & Ashley are in New York with their family and for Ashley to be in a ballet. She's super excited and nervous to be a part of the show, but when the lead dancer's lucky tiara goes missing, Mary-Kate & Ashley must solve the case before the show.

This was another good one in this series. It was really cute, and I adored Clue! Now, I can't wait for more!

Amanda says

Great fun to read to my 7 yr old :)

Celine Parker says

What girl didn't try ballet at some point in their childhood? I certainly did, although there wasn't as much trouble as M-K&A have in this book. A mystery follows them wherever they go.

Alex says

I'm reading these books because my friend Steph challenged me to.

Obviously I am not the target audience for this series, but this one was still pretty lame.
