## **The Judgement** Lucian Bane

Ruin wakes up on Earth knowing only one thing: to Judge and Execute.

As an Angel of Judgment with no memory of his origins and no ability to communicate, he seeks help from Isadore, the first human he comes into contact with. Without realizing, he binds molecularity with the OCD Neuroscientist, and slowly becomes permanently attached to her.

But, there is a mission he's sent to accomplish and it isn't about Isadore. Or is it? Something about the eccentric and beautiful woman seems to be preventing him from remembering what he must do in order to complete his task on Earth.

In the breathtaking third book of the Ruin Series, The Judgment, Ruin tackles missions designed to bring him face to face with the answers he desperately needs. Soon, however, he discovers that the clues he gains to unravel the mysteries of his mission will declare war on his heart and soul.

### **Lauren Gallegos says**

I need a few days to gather my thoughts after finishing this book.

This is the third book in the Ruin series. I am apart of a read along group on Facebook.

This book touches on unanswered questions from the previous book without giving you a full answer. Ruin and Isadore are still on the road and things take a turn again. Of course this book like the last is filled with the great bickering between Isadore and Ruin. It also still centers around the Christian faith. Which I like that, that is the running theme because it some series the theme changes from one book to the next. The ending like the last is a “wat Bane!” moment yet again but this one is bigger than the last. To the point you are like why why why!

#### **Read at your own risk**

Lucian Bane loves to mess with your mind he knows how to spin a tale and leave you screaming for more. He always has me cursing him and screaming at my kindle when I see those dreaded words....to be continued.

Once you've read one of his books, you'll become a huge fan

I love this series! Such incredible story telling by the author- this book has a hold on me. The intimate scenes are so beautifully written, so highly charged and heated- I'm sure I was blushing more than a few times ? Action packed and full of wonder and adventure- I can't wait to read the next one! ~Angie❤?

### **Sherri says**

Wow!!! Just when you think it can't get any better and then the book proves you wrong. This is one of those books/series I find myself with a book hangover after reading. I can't wait for the next book in the series!

### **Robin says**

Just when you believe that you know and understand everything about Ruin and Isadore, Lucian Bane laughs in your face with unbelievable twists and realizations. I was so excited about the third installment of Ruin and Isadore's story, but I was NOT prepared for where it was going to take me. I won't give ANYTHING

away, but you need to hold on to your mind and your heart as you read. I found my heart trying to pound itself out of my chest. This book is hot and erotic as hell, yet it is funny, heart-warming and passionate in true Lucian Bane fashion.

AND, if what you're feeling isn't crazy enough, You are so absorbed into the story, that you NEVER see the end coming. Another WHAT?!?!?!" slap in the face! You'll find yourself screaming because you know you're going to have to wait for the next book.

Lucian Bane is a fantastic writer. He has the ability to grab onto you within the first few lines of his work and keep you there until the end. He is addictive. This series is unlike his other work, but he has definitely made his mark in this genre. I can't wait to read the next book. I hope I don't have to wait too long!

The more I read this story.. I feel I become closer to the answers. But am I? This freaking amazing story will have you thinking, wondering what will come next.. This storyline is so different, you will find yourself truly blown away. It's funny, it's hot and so passionate. This is just one of my favorite quotes..... "Then I am.. slain.. with an eternal, and violent love for you." PERFECT!

### **Monica Randau says**

This is the third installment in the Ruin saga and picks up where book two left off.

The chemistry between Isadore and Ruin continue to grow and become stronger as they continue to become closer. Mr. Bane has the gift of storytelling as the series keeps getting better and better with each book. I fall deeper in love with his incredible characters and the way he spins the story with every page I turn. The storyline keeps growing and getting stronger and stronger and more in depth with each written work pulling you further into the story. The author has yet to disappoint and am looking forward to continuing the series.

### **Lg says**

Lucian Bane continues the saga of Ruin and Isadore. Ruin is commanded to judge and execute, he is not put on earth to give mercy. Isadore's conscience gets the best of her but the attraction and overwhelming love she

feels for Ruin is stronger. Together they create some serious sparks.

Determined to make Ruin recognize the power of love, their bond greater than ever, Isadore and Ruin continue to follow the path that is set forth before them. With the help of other paranormal beings, one task after the next must be followed in order for Ruin to make the final judgement. And it's one hell of a twist!!

Again, this master wordsmith brings a depth and intensity to this fantasy with elements that directly correlate to religious truths.

### **Cynthia Cordell says**

Well this series just keeps getting better! Lucian Bane has the gift of telling stories. Ruin and Isadore's story continues in the mind blowing tale of love, trust, fantasy, judgements, faith, I could go on because this book has it all! Not once have I been disappointed in any of this author's work, and never believe I will! Brilliant read and looking forward to seeing where he takes he's charters next! Loved, loved this book!! ❤

#### **More twists and turns**

This series has sucked me in and there is no escape for me. I am turning the pages as fast as I can to see what happens next.

### **Theresa says**

Sometimes by the 3rd in a series I'm losing interest. Almost seems repetitive at times. But not this series. So far each book has kept men on my seat edge waiting to see what is gonna happen.

---

### **Jane says**

This is getting better and better! If you start to read it you get sucked in into a story that is full of action, love and lusty scenes, and funny ones. Lucian Bane created a world where you feel like you know it all, but then he comes and twists everything in a manner that your jaw drops with a bang to the floor.

Love this series

I love this series it has me on the edge of my seat, can't wait to see what's going to happen next. I need the next installment!!!!

---

**Kelly cowee says**

Man oh man Mr Bane, you have done it again. These books keep getting better and better. I loved this one just as much. Keep them coming, I need more Ruin.!!

---

**Tammy Burch says****Omg!**

I knew it and I'm freaking out! Where's the next one. Let me at it! There's so much going on in this book. Action, steamy, funny and of course the hidden messages that Lucian does so well. How can I fall in love with all Lucian's characters?! Well I did and I do! So on to the next one!

**Winter Sophia Rose says**

Twists, Turns, Heart Wrenching, Intense, Heart Pounding. Action Packed, Steamy, Hilarious & Intriguing! A Awesome Read! I Loved It!

---

**Carol Heisz says**

I don't usually read paranormal romance, but picked up this series because I like the author's other books. I've found, the further I get into the series, the better the books get. BUT, there are typos (I lost track of the number of times you're was used in place of your), missing details, wrong names, editorial issues - it feels like the book is being rushed into publication. While I like the characters and the storyline - I find these sorts of things to be at the top of my pet peeve list. If you can see your way past these things, read the series - I'm going to buy the 4th book because I need to know how Ruin and Isadore cope with what's going on...

**Cassy says**

More answers unfold and mysteries abound in this third installment to the Ruin series.

Ruin is gaining a better sense of his 'job', while Isadore begins to understand more as well. She still fights what she does not understand, but is told to have faith and trust. This can certainly be hard with things we do not know or understand, but is all part of faith. This is a good reminder that sometimes we just need to have trust and faith in those who may know more than we do.

The bond between Ruin and Izzy is much stronger than it was before. When they finally connect and reveal to each other how they feel, oh man I was jumping for joy. The way Ruin professes his love is astounding and you can just feel it pulsing from the pages, grabbing at your heartstrings.

More is about to be revealed and my fingers are just itching to turn those pages.

#### **Truly amazing**

Lucian Bane has enthralled me with the most amazing characters. The story and the journeys they must travel to find their way through the unknown is captivating. I couldn't put this book down and now I can't wait to read the 4th and final book in this series. Get to one clicking these fantastic stories. You won't be sorry!!!
