The Sacrifice C.H. Scarlett

The Sacrifice is the second book in the Bound by Blood series.

Secrets are unveiled. A Gathering is called. Sides are chosen. Legions are raised. A challenge is made.

Evil has reared its ugly head. The true enemy has been named.

Who will save or destroy TERAH?

Once Samanthra takes her true & rightful place among the sacred bloodlines, she soon understands and realizes the sacrifices that must be made in order to save TE?AH from its unholy threat. Or does she?

As a darker and more deadly prophecy unleashes itself, as more pieces of the puzzle come together, as even more unforeseen riddles unwind, one thing becomes all too clear . . .

Bound is she by the ancient blood, and by that blood, someone and something, must be sacrificed!

But who, what and at what cost?

Remember, things are never what they seem to be . . .

Not even the Priestess.
