The Wild Unknown Animal Spirit Deck and Guidebook (Official Keepsake Box Set) Kim Krans

The artist behind the groundbreaking *New York Times* bestseller *The Wild Unknown Tarot Deck and Guidebook* helps seekers of all levels expand their practice of self-discovery with this breathtaking keepsake boxed set featuring an oracle deck and guidebook inspired by real and mythical animals.

Beloved artist Kim Krans is helping to redefine the tarot movement for the twenty-first century. Hand drawn in her detailed and emotionally evocative style, *The Wild Unknown Animal Spirit Deck and Guidebook* is a work of art that explores the mysteries of the natural world and the animal kingdom. Each of the 63 gorgeous oracle cards captures a stunning portrait of creatures both real and mythical.

Divided into five suits structured by the five yogic elements that make up all living things—Earth, Water, Fire, Air and Ether—*The Wild Unknown Animal Spirit Deck and Guidebook* includes creatures that roam the field and forest, swim in the oceans and rivers, inhabit deserts and grasslands, and soar through the sky. The Ether suit holds the seven spirit cards, and represents the seven chakras of the subtle body.

From the Peacock who symbolizes inner beauty and reminds us to practice self-acceptance to the playful Dolphin who indicates a profound blessing is headed our way, each animal has been carefully selected for its symbolic potency and the lesson at the core of its nature. Kim's powerful animal archetypes offer insight into relationships, personalities, behaviors and tendencies and can be used alone or alongside *The Wild Unknown Tarot* to add an additional layer of depth to readings.

The 200-page hand-lettered, fully illustrated guidebook offers grounded, easy to understand explanations of the cards, a detailed look at the many spreads, practices, and concepts that power the Animal Spirit deck, and deep insight into how each animal helps illuminate our contradictions, our complex natures, and the endless mystery of who we are.

Packaged in a highly designed keepsake box with a beautiful lifting ribbon, *The Wild Unknown Animal Spirit Deck and Guidebook* celebrates the hidden wisdom of the creatures that inhabit our world and beyond, and reveals how we are all connected in the complex and wondrous web of life.

Toni says

The artwork of these cards is beautiful, even haunting.

The rest is, unfortunately for me, piffle. It was an impulsive purchase and at nearly \$40, an expensive lesson. Maybe that was the lesson learned?

For me, it lacked the mojo, the power of other decks I've worked with.

Ah, well.

locrian says

Beautiful art, though I have my own associations with the animals that aren't quite the same as the author's.

Kristy says

I might have liked a little more about how to interpret different cards in readings/spreads, especially the spirit cards, but otherwise I love the depth of information in this guide.

Christine Hug says

No es un libro, es una guía que acompaña las cartas de tarot y estoy enamoradísima de cómo está escrito, de las cartas y del reto de seguir auto-conociéndome♥?

Las cartas son preciosas y la guía súper completa, te explica cada carta, como mezclar, las posibles tiradas... ¡perfecto para una novata como yo!

Si os gusta el mundillo, son cartas perfectas para empezar?

Liane says

I adore this deck. The messages are thoughtful and simple to meditate on. The illustrations are incredible. I wouldn't hesitate, you'll love this deck too!

Chance says

Love this deck! It's absolutely gorgeous! Especially adore the 'ether' elementals. The first one I drew was

Phoenix. Damn, am I feeling it.
