## **Baby Momma 3** Ni'chelle Genovese

If happiness had a flavor, could you describe it? If love had a price that you could afford to pay, would you? Michelle is back, and in this mind-blowing sequel to Baby Momma 2, she is by no means taking her losses lightly. She's been broken down, restored, and at the hands of Honey, practically demolished. The woman that has emerged is hell bent on revenge, until an unexpected twist of destiny turns her world completely inside out.

Honey is preoccupied with her re-emergence into the world, embracing her new life as the "Queen of Miami." The only thing that might destroy her faster than Michelle's rage is her new Mafia family. She's slowly learning that all that glitters comes with hands attached to dimmer switches--and right now they're itching to hit the off button. When the only options are bad and worse, Honey does the unthinkable and reaches into her past for a favor that might end up costing her more than the Family can even afford to pay.

### **African Americans on the Move Book Club says**

Michelle was trying to pick up the pieces after her life literally fell apart following the deaths of Rasheed, Larissa and Keyshawn. She had relocated with the one person she felt she could trust in order to protect her son, Honey's daughter and herself from any further danger. However, when the ghosts of her past started to resurface yet again, Michelle realized that nothing was what it seemed and her life was still in jeopardy.

Baby Momma 3 is the final installment of the Baby Momma trilogy and its purpose is to reveal everyone's truths and tie up loose ends. I'm a fan of Ni'chelle Genovese's writing, but felt that the action scenes in this installment were too rushed to really enjoy. As something big happened, the scene was cut and the next thought or chapter was introduced without any expansion on the events that took place. I found myself rereading paragraphs to make sure I didn't miss anything.

Genovese is a gifted author, and her ability to write from both a male and female perspective, makes her books believable and unique. All in all, Baby Momma 3 was an entertaining read and I was pleased to find out the fate of the characters I had followed so closely from their introduction in the first installment. Baby Momma 3 certainly answered my questions and satisfied my curiosity. I look forward to seeing what Ni'chelle Genovese has in store for us in the future.

RATING: 4 STARS

### **Ltrb Club says**

Baby Momma 3 by Nichelle Genovese 6/7/2014.....4 stars...Okay so this book was not better than 1 or 2, because it was all over the place. I believe if the Author had of started it out with explaining how everything came to be, then it would have been good. But overall it was a fair read.

### **Letesa Campbell says**

wow very confusing!!!

---

### **Jasmine Cole says**

ok

---

### **Kieshboo Mays says**

love it

---

### **Tasha Milteer says**

Not good as the 1st two, but still good. This book has so many twists and turns like a soap opera. Was expecting a better ending, it wasn't a bad ending though.

---

### **rochelle pettrie says**

I must say this Author did a great job with this whole series, all the characters were of the damn chain, I'm just glad that Michelle didn't die and she still has her lil family and a chance at love cause Baby between Rah n Ris they took her ass through the ringer, I really enjoyed this series

---

### **Tylinn says**

This book got on my nerves at the end it started being too confusing

---

### **Nicole says**

Wow. This book was amazing. There were so many twists and turns I didn't know what was gonna happen. But I enjoyed reading it.

---

### **Letoya Mays says**

this book was crazy and hella good

---

### **Kimber Smith says**

part 3 was rushed and just way 2 many twists

---

### **Jenee Rager says**

I had not read parts 1 or 2, when I won this from goodreads, nor had I read anything by Ni'chelle Genovese. I

think parts of this book would have made a bit more sense if I had read the earlier outings, but all in all it was enjoyable as a stand alone.

Ni'Chelle Genovese avoids most of what drives me crazy about a lot of urban fiction authors... she doesn't run on and on about fashion brands like a lot of authors, and there were little to no spelling errors. She did fall prey to having characters come back from the dead, but did actually address how silly that can be through one of her characters. I will definitely be reading more by her in the future.

### **Brittany Bush says**

This book had many twists and turns. It kept me intrigued. This series is the best I have read in a long while! I love all the characters and the plots! Great job!
