Exposed: Volume 1 Melissa Andrea

I love to fuck.
I do it for the pleasure.
I do it for the female bodies that keep me warm at night.
But mostly I do it because I'm damn good at it.

I'm a fucking pro. Pun intended.
Finding women isn't hard.
There are plenty of them willing, but finding a woman who can fuck like I do is a different story.

Until Evalyn Dawson. Even her name is fucking sexy.

In true bachelor form, I'm not looking for anything serious or anyone to settle down with.

But Evalyn can rock my fucking world like no other women and I find myself wanting her All. The. Damn. Time.
