His Girl, His Rules

Morganna Williams

His Girl, His Rules Morganna Williams

Though Glory Walters writes erotic novels about firm-handed men who know how to deal with feisty women, she's ashamed to admit she's never experienced anything of the sort herself. But then she meets Gabriel—Sergeant Gabriel to the men he leads on the local SWAT team, but Master Gabriel to her—and suddenly the scenes in her books don't seem so far-fetched anymore.

Gabriel has just been going through the motions in life since his wife's death four years ago, but almost from the moment he sets eyes on her, he wants Glory as his own. Despite never having been taken in hand before, she responds beautifully to a good, hard, bare-bottom spanking, and his dominant lovemaking leaves her breathless. But when Glory foolishly puts herself in extreme danger, she soon discovers that naughty girls who take risks with their safety get their bottoms thoroughly punished... inside and out.

Publisher's Note: His Girl, His Rules is an erotic novel that contains spankings, sexual scenes, anal play, elements of BDSM, and more. If such material offends you, please don't buy this book.

Susan says

Great story

This was a great story that drew me in. Glory is a fantastic character who decides it's time to lose her virginity and research her book at the same time. Treatment of humor, sexual chemistry and BDSM that had me eagerly turning the pages. I highly recommend this wonderful book.

SH says

I so enjoyed reading this book! I was laughing out loud at Glory, she is a firecracker, and swooning at Gabriel, so HOT, and loving the entire thing. I was hooked from page one and just kept on reading until I finished. Loved the suspense, danger, romance, and some definite steamy action and was rooting for their HEA! Fantastic!! I received this book from Stormy Night Publications as an Advanced Reader Copy.

Casey Mckay says

Glory gets herself into a BDSM club so she can do some research for an erotic romance she is writing. Although she writes about all things kinky, she's actually a virgin and has no real life experience of any of the situations she has penned. In comes Master Gabriel, a sexy SWAT team member who also plays as a Dom at the club. Even though they both feel an instant attraction, both of them find their own reasons to be resistant to the new relationship.

A very hot read! I loved Glory in this book, she was so funny and relatable. Gabriel is like sex on a stick, and I love how hard he fell for Glory. Ms. Williams does a great job of mixing real life issues and comedy into her story. The story touched on some heavy subject matter but never got to the point where it eclipsed the main love story. I thought it was very well balanced and I look forward to reading more of her books in the future. Overall, this was a very enjoyable read with real characters and an interesting story.

JY says

It is surprising good read. Short but hot story. Except the 35 years V part, not so hot

Felicity Nichols says

His Girl, His Rules was fantastic read and I enjoyed getting to know Glory and Gabriel. Gabriel hasn't allowed himself to feel for anyone since he lost his wife four years ago due to cancer. Since then he has been going through the motions until he sees the timid redhead enter the club.

Glory has no clue about the sex she writes. She writes purely from her fantasies not experience. She enters the club purely with though of research only .What she doesn't expect is Gabriel to sweep her up and introduce her into his life.

With some humor His Girl, His Rules kept me in from page one and I knew i would finish it in one sitting. I love William's work and can't wait to sink into her next story.

Judy says

Wonderful

What a great D/s Story about an older virgin and a Dom that has suffered the loss of his wife great read

Icu2qtpi says

Morning's Glory

Glory writes erotica but has never experienced love making for herself. She decides to join a BDSM club to research for her next book, but to also find something for herself. Her first time there has her catching the eye of the owner and Dom Gabriel. He swiftly brings her to. Her peak, but she sneaks out of the club, against his express order. He follows her home to finish the scene and firmly punish her for leaving. She realizes she enjoyed his company and they begin dating, with quite a few spankings included. Great novella! Sweet and sexy!

Scarlet Fanning says

This was DAMN, hot!

Glory Walters is a former Children Protection Service agent, who now writes BDSM novels full time. She is doing research at a local BDSM club, but wants to explore for herself -- which isn't easy being a virgin. Master Gabriel takes control, and his first rule is that she is not to come back to the club till he says she can.

SWAT Sergeant Gabriel and part owner of the club, feels his heart open for the first time since losing his wife to cancer four years ago. Glory triggers all his protective traits. Could she accept a domestic discipline marriage?

An emotional novel as Glory puts herself in danger, and Gabriel fears he may lose her.

Windsong says

Hot and scrumptious

The story begins with SWAT sergeant, Gabriel, who loses his wife to cancer- he loved her so completely, the connection was immediate.

Then came Morning Glory, (I know, right?) Who was a social worker turned writer. (Me too, only I still social work). I was so connected to Gabriel that when Glory was introduced second, I was surprised with my affinity to her.

Realistic in many ways and just enough umph of fantasy for fun. Glory gets in scrapes, Gabriel educates her, teaches her his way of settling those issues, and then you wait as they both decide if it is right for them.

Spankings are just right. Hard, fast, with purpose but not over the top. Realistic, like spankings for punishment are.

The sex, yum. Read this short but good story that has good balance of discipline, fun, training and love.

Laurel says

Though Glory Walters writes erotic novels about firm-handed men who know how to deal with feisty women, she's ashamed to admit she's never experienced anything of the sort herself. But then she meets Gabriel—Sergeant Gabriel to the men he leads on the local SWAT team, but Master Gabriel to her—and suddenly the scenes in her books don't seem so far-fetched anymore.

Nicole says

If you're looking for a quick read and some light BDSM to quench your thirst for sexy and sweet, then this is the book for you!

RetiredHsMom says

Enjoyable read!

While there were a couple times, I felt Gabriel was too strict, I enjoyed him as the story's hero. Glory was a bit too dense for being 35, but still an enjoyable character.

This was my first read by Ms. Williams, but not the last.

Shelli says

This was a really good, really hot little book! It's a quick read, but it's fun!

You've got an erotic romance author with an interest in BDSM who goes to a club to do interviews so she can write a BDSM themed romance, and learn a bit about the lifestyle for herself at the same time. She meets a strict Dom there, and there's an instant attraction for both of them.

*****Slight SPOILER ALERT*****

The fact that she was a 35 yr old virgin who wrote erotica and was interested in BDSM was a bit hard to believe. That's just a strange combo; the age alone is unusual, but to be an erotica author interested in bdsm as well? Other than that though, I loved the book! That wasn't a big enough factor to detract from the book. It's definitely worth reading, it is hot and sexy!!

MrsJoseph says

Meh

Brittany says

I loved this book. Gabriel is loving and determined to make Glory his, even if she doesn't know it yet. I loved the extra danger thrown in, resulting in Glory having to see inside herself and get over her fears. I really like how Gabriel didn't just want a BDSM lifestyle, but DD as well. I received this book from Stormy Night Publications as an advanced reader copy.
