Rando is tempted by some "yuri" action when he meets Nozomi, a girl who just loves beautiful women who kick men's butts. Too bad Rando "has" a man's butt that he has to hide when he's forced to spend the day at the pool! Can he get help from Dr. Manabe, whose solution to every problem is to ask Rando to trade up to a "G-cup" set of fake breasts? Then, the need for extra cash leads Rando to accept a dubious job offer involving a full-coverage bodysuit...and does Rando have a "male" admirer too?
