### **duniamimpigie Anggi says**

Too much fanservice.

Musuhnya juga muncul cuma untuk dibego-begoin dan dijadikan alat untuk menonjolkan sekuhara cewek-cewek harem si Tsukune.

#### **Love the new group**

This second season is really good, but will Moka and Schinchi ever kiss? I hope so, I want them to become a couple.

---

### **Dylan Murphy says**

The second season of the series is interesting because: while Tsukune plays the major role, all of the other characters play much more prominent roles in each volume. We are getting to see a good bit of some characters past, and why they are the way they are.

---

### **Leila Anani says**

Tsukune and Moka and the gang that come to their rescue get caught by a doppelganger and a giant spider demon. Tsukune ghouls out and shows his friends that he is far more dangerous than the enemies that have them captured.

The second arc centres around Moka's sister Koko who eats some magical candy to make her instantly grown up in order to defeat some school bullies. The effects wear off in 13 minutes though, but instead of reverting back to her normal self she becomes a little child.

Stunning artwork and a great fun story make this volume as much of a delight as the rest of the series.

**Daniel Stephens says**

Spoilers! : Boobs! Well that was surprising - the series has added more fan service pantie shots over its run, but I didn't expect full on boobage, especially from a main character (well, a male enemy shape-shifted into the form of one of the female characters, but still), not complaining, but it come totally out of the blue.

Other than that, another solid entry in the series. Funny, good character development, and a lot of action.

Great come back from season 1

**Kittyki says**

Számomra még mindig nem hozza a színvonalat a másikokhoz képest.

---

**Jessica says**

The main villain was cool, but I am not sure how I feel about having the little sister as part of the gang and being in every episode.

---

### **James says**

Rosario+vampire is a good akuma based manga. It has a good art style and a good plot line. The akuma concept is good and very entertaining. Characters are good and interesting. The second season of rosario brings more plot, characters and twist. Very entertaining and darker than the first season.

### **Sandra says**

Much better. Getting more character development and I cannot wait for the next.

---

### **Dante' Slaton says**

You think things could just be normal for once at school for Tsukune, but it just got a lot worse when a band of dangerous thieves appeared in the school attacking random students. As members of the Newspaper Club the Tsukune and the gang were on the look out for anything out of the ordinary until both Tsukune and Moka were taken as well by the thieves as well. Fine out and see what happens in this best selling book of Rosario+Vampire season II.
