J.S. Scott

**Temporary Groom** J.S. Scott

**A brand new, standalone spin-off from *The Billionaire's Obsession* series, and the first novella in the *Left At The Altar* series!!! You met Lia and Zeke in *Billionaire Unloved*, Jett and Ruby's book. Now you can find out what happened to them. Did Lia really marry the wrong guy?**

*Lia:*

I thought I had my life all worked out. My wedding had been meticulously planned. All I had to do was walk down the aisle and get married to the man I'd been engaged to for over a year.

Pretty easy and uncomplicated, right?

Unfortunately, all of my well laid plans go up in smoke when my fiance leaves me at the church alone because he found a woman who was better suited for his snobby world of wealth and privilege.

Problem is, I really have to get married. All of my hopes and dreams are dependent on me tying the knot by my twenty-eighth birthday, and the date is closing in fast.

As usual, my best friend Zeke Conner is there to pick up the pieces when I get jilted by a jerk. He helps me work through the demoralizing event so I can put it behind me and move on. But when he offers to marry me himself, I'm stunned. But it's a bargain I can't really refuse.

As my relationship changes with my best friend, I find myself caught in a web of sensual desire and unending passion that's as terrifying as it is satisfying. Probably because it seems all too real.

But our arrangement was supposed to be temporary. A deal between friends so that we'd both benefit. What will happen when it all ends?

# **From Reader Review Temporary Groom for online ebook**

## **Vilma Akins says**

I loved this book about 2 long term friends who always had secret desires for each other but were afraid to share the truth with each other.

While Zeke and Lia told each other the truth about everything in life, they were never honest with each other about their true feelings for each other until Lia is forced to marry to gain her inheritance and almost marries the wrong man.

This story is full of love and fun. Zeke and Lia have great chemistry together and I look forward to reading more about them in any crossover or future books.

I received a free copy of this book via Booksprout and am voluntarily leaving a review.

## **Misty (Reds Romance Reviews) says**

Zeke and Lia have been friends a long time, and without the other knowing both have harbored more than "friend-like" feelings for one another, but acting on those feelings has never really been an option... until now. When Lia's fiancé leaves her at the altar Zeke is the one who swoops in and saves her from complete humiliation, but days later she realizes she still needs a husband in order to claim her inheritance and make her dream a reality. If only she had a man in her life to help make that dream a reality...

Temporary Groom is a sweet and sultry little novella that is sure to have romance readers swooning from start to finish, the moment Zeke wanders onto the page you will feel your heart slipping away, and your knees weaken! This was such a pleasurable read, the story line was engaging and held my interest throughout, the characters were well crafted and easy to identify with... simply said there is no way you can walk away from this one without getting a serious case of the feels! If you are looking for a sexy and heartfelt tale to curl up with tonight, I highly suggest you make it this one, it will make for a delightful bedtime story!!

I requested an advanced copy of this title and I am voluntarily leaving my honest opinion.

---

## **Bette Hansen says**

I really loved this book. It's a nice quick read that is a wonderful friends to lovers story. Lia and Zeke have been best friends for a long time and while they both have feelings for the other, neither has wanted to act on them fearing it will ruin their close friendship. When Lia finds herself a bride literally left at the altar, Zeke is the one who comes through for her. Then when she realizes her inheritance is in jeopardy unless she gets married, who else would she call for help other than Zeke. Can Zeke be happy just being her temporary groom?

This is a wonderfully written book with amazing characters making it a must read! I highly recommend it.

---

### **Sandy Montemayor says**

I love all of J.S Scott's books, and this one was no different. It was such a great, short, loving story. I love the friendship Zeke and Lia, friends since high school and when he offers a way to get her inheritance by marrying her, she takes him up on his offer. A great read!!!

---

### **Isa Jones (Jo&Isalovebooks Blog) says**

Since I read Billionaire Unloved I was desperately waiting to read Zeke and Lea's love story. Once again I loved this book. Author J.S. Scott has given me another unforgettable story and I think by looking at all the reviews you can see how wonderful it is, people loved it!. Shame there aren't more stars in the rating system as I would love to have given Temporary Groom a million.

I am glad that TBO series has had a spin-off and that other authors are taking part in this project, can't wait to read their books and meet new characters to fall in love with.

This book had it all and you need to start reading TODAY!

---

### **Jenny Brightman Harris says**

I received this book with the understanding that I could leave a voluntary and honest review.

In this book we meet Zeke and Lia. We meet these two characters first in Billionaire Unloved and though it shows a part of their dynamic we really learn about them in this book. Zeke and Lia have been friends for years now. The closer they get the more there seems to be one stumbling block after another in their road to getting on the same path. Both of them want the other but the timing is just never their for them. So when Lia wedding finally arrives Zeke knows he can't let her walk down that isle without telling her how he really feels. However again things don't go as planned but this time they work in his favor. Can they finally get that HEA that they both have been wishing for or will they just find one more thing that will get in their way.

This is an amazing book. These two characters have that push pull going on that will have you hooked from the first word to the very end. There are ups and downs that will have you riding the waves right along with these characters. There is so much more I really want to tell you but don't want to ruin it for any other readers. I will say I would absolutely recommend this book to anyone and everyone.

## **Niken Widyastuti says**

A 4.5 stars review

I loved this book! Best friend to lovers. Been in love with each other since as far as they could remember, yet they afraid to lose the friendship. Until they don't.

I loved that the heroine was not a pathetic jilted bride. Lia was a smart woman who finally came to smart decision. The groom just beat her to the bush. Her best friend, Zeke, was really a nice guy and so sweet. Not very alpha, but I actually like him more. I love that the story evolved around how they finally accepted their feelings toward each other and be better because of it. No other over-the-top drama, which I love it so much. The main story itself had been great.

My only objection was the repetitive "sexy baritone" phrase. It became one too often that took away some enjoyment from the story. Minor actually.

I was provided a complementary copy by the author / publisher through Booksprout, but this in no way influenced my thoughts or opinions.

## **Ellen says**

This story is a true romance. Zeke and Lia are so cute together. I related to this story as I married my high school sweetheart and have been together nearly 20 years.

I found this story to be very sweet. Zeke and Lia's love is beautiful and something that every couple should experience once in their lifetime.

I am a huge fan of J. S. Scott and once again, I have not been let down. Well done and thank you for another amazing book. A must read for all romantics at heart.

---

## **Sarah says**

Book one of the new spin off series by J. S. Scott.

You meet Zeke and Lia in Jett and Ruby story. Lia finds and befriends ruby who introduces her to Jett. Lia has always love Zeke but after a failed attempt to interest him in sex she never tries to change their relationship.

Unfortunately she meets a dick of a guy who treats her like shit which infects her relationship with Zeke. I love that they both love each other but can't seem to get passed the friendship boundaries.

Zeke is a total gentleman and I love how he thinks of Lia first always.

Looking forward to seeing where this series goes. Lovely epilogue

---

## **Isha Coleman says**

Love and friendship collide amidst a comedy of errors. Zeke and Lia have a history. Will they let that shared history ruin their chance at a future as so much more? Temporary Groom takes a look into the eyes of love and walked away with this romantic's heart. From top to bottom Scott can do no less than perfect.

---

## **Natalie Townson says**

Wow. I really enjoyed this book it was such a sweet story about friendship developing into something more. I was excited to read Zeke and Lia when i met them in Billionaire Unloved and i have to say this story did not disapoint i was left wanting more!

Another hit from Author J.S. Scott

I received a free copy of this book via Booksprout and am voluntarily leaving a review.

---

## **Debbie Collins says**

Temporary Groom is a short and sweet novella, featuring Lia Harper and Zeke Conner, best friends for a lot of years. Zeke has always been Lia's protector, her friend through thick and thin, her hero. Lia has always had Zeke's back, been there for him anytime he needed her and would walk through fire to see him happy. These two can finish each other's thoughts, predict what they will do under certain circumstances and love each other through anything.

When something happens that threatens to tear their friendship apart, Lia and Zeke realize that somewhere along the way their feelings have changed, has blossomed into something more, but is it possible to move forward and not lose the friendship that they value so much?

Although this is a novella, the author gives you enough background information that you do not feel cheated out of details, but at the same time left me wanting more. I certainly hope that Lia and Zeke will make appearances in some of her other books so that we will know what is going on with them now.

Five "just let it happen" stars for this one!!

I received a free copy of this book via Booksprout and am voluntarily leaving a review.

## **Tracey Warren says**

Zeke and Lia have been friends for years, he'd always been her hero, she'd wanted more, he didnt want to risk their friendship so they fell into the friend zone. Each had their relationships, but as Lia walking down the aisle drew really close, Zeke realised he couldnt let her make a huge mistake. But the fiance had got there first, sending his brother to say Lia wasnt good enough so he wasnt coming. The twist then came in the form of her grandmothers will, a requirement to marry, Zeke steps in, taking the time to win her over, make her fall in love with him, and reach for the lasting love with Lia he really wanted, what he didnt realise was, it was what Lia wanted too. A great love story, J S Scott never fails to deliver a story to escape into, love spending time reading, and not wanting it to end, but leaving the reader all warm and believing .....

---

**Susan says**

Zeke and Lia have been friends since she was 14 and he was 18 when he saved her from a bullying boy. And they stayed friends for years, never taking things further because each thought the other didn't have romantic feelings. A condition of her grandmother's will, and a fiancée that basically leaves her at the altar sets things in motion for things to change between Zeke and Lia.

Like many of Ms. Scott's books, a sweet, sexy read. It is a standalone. Ruby and Jett from Billionaire Unloved do make frequent appearances, but truly just in the friend aspect. This fast read absolutely can be read without reading anything else.

---

**KB Kind says**

I always enjoy JS Scott books. This was a short, sweet novella with the usual HEA I look forward to getting. If you are new to Ms. Scott you are in for a treat!
