The Lawman's Rebel Bride Amanda Renee

SECOND-CHANCE WEDDING...

Deputy Sheriff Harlan Slade owes Belle Barnes a wedding, and she's ready to collect. The divorced single dad left Belle at the altar years ago. Now, for the sake of Belle's ailing grandmother, he agrees to temporarily tie the knot. Their faux union quickly feels all too real, but Harlan must protect his young daughter's feelings and his own bruised heart.

Belle's passion for rescuing animals means frequent run-ins with the law. But she promises Harlan she'll stay out of trouble—except for the kind she finds with him when old sparks fly. It seems Belle and Harlan's short-term family has a future, until someone from their past threatens it all. Will Belle's impulsive streak cost her the first real family she's ever known?

Lisa Montgomery says

Although I liked the character of Harlan Slade, I never really built up any sympathy for Belle Barnes, the heroine. I found her foolish and stubborn to the point of being annoying.

Someone should address split infinitives to either Amanda Renee or her editors: to ever let, to openly love, to never go, to both be, to always love, to strongly believe, to actually doing, to not remembering, to never have, to not be, etc.

Also the proper use of a possessive pronoun with a gerund: to chance him walking, with you moving, into being him, appreciate you visiting, you being a parent, you letting me know, etc.

Learn the difference between one another (used for 3) and each other (used for two).

Learn the difference between than and then.

Learn the difference between on his behalf and in his behalf.

Anna says

New series from Amanda Renee and it was all and more than I expected and wanted. I loved Harlan and Belle together and can't wait for more in the series!!! Beautifully written second chance love that had me laughing, crying and everything in between! A sexy deputy sheriff and sassy, somewhat rebellious animal rescuer make for some hilarious situations. Their flirtatious natures bring about feelings long thought buried and flare up a passion that can't be tamed.

Belle has had a rough go of it. Betrayed by two of the people she trusted most, her life hasn't been what she expected. But she's happy now and doing what she loves. Her passion for animals and desire to do more push her into somewhat blurry lines of the law. At least to her thinking. With her small, uncharacteristic family of animals she must get her dream of an animal rescue up and running. But now with her grandmother sick she must do anything she can to make her happy. And if that means facing Harlan after 8 years of pent up anger and frustration then so be it.

Harlan regrets ever hurting Belle. But his daughter is the best thing to ever happen to him. When Belle comes to him with a preposterous proposition, he instantly agrees. Knowing he would do anything to help her. But as they soon find out nothing is as simple as it seems.

As they start their fake/real marriage feeling resurface that have them both thinking, maybe we can make this work. But once again they are faced with the past and heartbreak all over again. Will they ever have their chance at a happy ever after?
