## **The Real You** Radhanath Swami

When the sun shines on a snow-capped mountain, the layers of snow melt down helplessly. Similarly, when sun-like wisdom shines on a covered entity, layers of ignorance start melting away, thus uncovering The Real You.

In this book, you will find a combination of the wisdom of the heart and the wisdom of art. This combined wisdom can make us ponder, wonder and help us overcome the blunder of ignorance which leads to suffering and sorrow. This book is a collection of pearls of wisdom, in the necklace of life, for the beauty of the soul.

RADHANATH SWAMI was born in Chicago in 1950. In his teens, he set out to wander the world on a spiritual quest where he eventually discovered the yoga path of devotion. He presently travels in Asia, Europe and America teaching devotional wisdom, but can often be found with his community in Mumbai.
