All hell has broken loose, and the McPhearson clan is right in the middle of the chaos. After finding out their beloved foster mother, Claudette McPhearson, was anything but the sweet old woman they thought her to be, Javon, Shanelle, and the rest of their siblings hit the ground running in order to keep the Syndicate operating and to keep themselves alive. That also means they have to lose some of the people they love the most.

With the legacy of their mother and her plans for them in motion, the McPhearson children are operating on a broken foundation. Attacked on all fronts, Javon and Shanelle are struggling to keep the family normal, while following the criminal plans of their dead mother. The Syndicate is growing, and Javon is determined to bring in new blood while looking for those who killed Claudette. Not to mention, something odd is going on with all of his siblings that threatens to rock the family to the core. Will the McPhearson clan fall in order for the Syndicate to rise, or will the truth end the legacy before it can even begin?

The Syndicate is a novel dealing with loss, love, power, and family. It's a fast past, gritty read. It's full of drama, deception, betrayal, and revenge. The twist and turns have you continually turning the pages. The McPhearson's just don't quit!! On to part III.

#### **Page turner**

This book was so good that I finished in two days. If I didn't have to work would have finished it sooner. Every page has you wondering what's going to happen next. Can't wait to read pt 3

This book lived up to all the potential I had hoped it would from reading book 1. Family drama, deceit, secrets, mayhem, all things that I find enjoyable about a good read can be found amongst the pages of The Syndicate 2. I am growing to love the McPherson family and the loyalty that they show to each other. There is a spoiler about that last sentence that you have to read the book to find out. All in all I am anxious to get to reading book 3!

This was soooooo good. It left off right where part one ended. This family was something not to mess with. I really love the twist and turns in this book. I loved how they put family first. This book could really teach them the meaning of family first. Great book I truly enjoyed this book.

Awesome Read!!!

Couldn't put it down better than the first one. Javone and Shanelle did the damn thing protecting the family and their loyalty can't be explained. Melissa got what she deserved for what she did to the family especially what she did to Claudette. Old lady Lillie I knew it was something about her and my prediction was right about Inez and Cory. They need to watch Dani don't trust her. I can go on and on about this book it was so good. One thing about Claudette she was a great leader and mother with so many secrets.

### **The Charmer: Lets Talk About Books says**

I'm hooked on this series. I like every single one of these narrators. Book 3 doesn't come out until October. I hope the audio version will be out then too.

I'm glad the traitor got what they deserved. I don't want J to be afraid of Shanelle. Is Danielle true or is she up to something? I feel the most sorry for Uncle Snap. They did very well making me feel his pain.

Thoroughly enjoyed this book. Javon is a tough cookie. In fact, all the children are a force to be reckoned with but, Javon & Shanelle are like Bonnie & Clyde. I hate Melissa did what she did. Karma came knocking by her brother. Excellent read. Can't wait for the third book.

### **Real Good Read**

I enjoyed this series Javon and Shanelle were my favorite in this story. Uncle Snap no joke he was really a good Mentor for the family. Melissa became greedy and shameful she barked up the wrong tree. Inez and Cory got caught up but they played the part in the end. The rest will be on. They better keep an eye on Dani because I think she's slick. Nice Read.

### **What can I say**

Part 2 was as good as Part 1. Everything picked up where Part 1 left off. This series could very well be made into a movie. When you step inside the lives of this family you are headed for a ride.

### **Love Lost, Love Found**

Was not ready for the twist in book two, a quick and easy read. Question from book one answered, book two leaving it own questions. Several shock factors, My favorite characters are Uncle Snap and Jennell. October hurry up book three has to be intriguing.

## **Fatima says**

Great ending to a great series. All the questions you had unanswered in part 1, was answered in this finale. There were so many twist and turns I didn't want to put down the book. I wasn't sure about Uncle Snap but he won me over in the end. Javon went through so much but held his own. Only thing I would've wanted to know more about was Dani. Other than that Bravo Brick & Storm.
