Game of Cohens: A Parody Lewis Grossberger , Mort Sheinman (Editor) , Robert Grossman (Illustrations)

Long ago in a time best forgotten, the once-peaceful realm of Vaisnisht is about to erupt into rampaging violence interrupted by erotic interludes and lots of yelling. The Cohen, ruler of this troubled land, has become extremely dead, and the fabled Porcelain Throne is up for grabs. The grabbing won't be polite and restrained either, but the brutal kind that could cause painful hangnails. At the center of the noisy drama is Lord Nathen Shtarker, a noble nobleman, though something of a schmuck. He and his proud family stand against the Bannisters, ne Blonsky, a clan as evil as they are wicked. Toss in a rollicking assortment of knights and vassals, damsels and dwarfs, mystical yentas and flying rhinoceroses, plus thousands of colorfully costumed extras, and you have a saga that will make you laugh, cry and question the very meaning of existence. But mostly laugh. At long last, here it is, the epic parody of Game of Thrones, the hit HBO series (and five really long, best-selling novels) that medieval readers have been begging for. With Game of Cohens, best-smelling author Lewis Grossberger has penned (oh, all right, typed) a gut-wrenching, heart-burning, butt-scratching chronicle that is so deeply tragic it's hilarious.

From Reader Review Game of Cohens: A Parody for online ebook

Jill Christopher says

I won this book from First Reads (thanks, Lewis!). As I was reading this book, I kept thinking of how much FUN this book must have been for Lewis to write. Okay, maybe writing a book isn't FUN, but - really - the humor shines through. I have only watched the HBO series (I have not read the George R.R. Martin books) and this made me curious to check out the books.

Carolynne says

I am not going to finish reading this book. The title and cover art were so funny, I thought this book was going to be great. It started off quite amusing but quickly became a string of Yiddish expressions thrown in for no good reason. It is no longer witty-just boring.
