Look Before You Bake Cassie Wright
Honeycomb Falls Book 2 - STANDALONE

A BBW in search of magic honey + A gorgeous werebear willing to give it to her at a price = Smokin' Roaring Romance

When Anita wins the Frankly County Bake Off with the help of a mysterious vial of honey, she's determined to take her winnings and open her own sweet little bakery. With a potential investor on the line and her dark past returning to ruin her dreams, she sets off into the wilderness, determined to persuade the honey's guardian to give her more and guarantee her success. Luckily for Anita he's a gorgeous mountain man of a werebear who likes the look of her wicked curves...

Reader Note: This book contains heart pounding sex, adult language, and violence. If this isn't the kind of stuff you like to read, skip this book. However, if you enjoy tucking into a raunchy, funny book with plenty of panties-wetting sex scenes and a smoldering hot werebear, then this just might be for you!

Perfect!

I think that I loved this book better than the first!!! This series will make you fall in love with the characters and the town! I can't wait to read the third!

After reading Den and Breakfast, I decided to see if Look Before You Bake by Cassie Wright would be just as fun...it was!

This book features Anita, who became a friend of Rachel's (from Den and Breakfast) and the cook for the bed and breakfast. Anita wins the Frankly County Bake Off with the help of a gift from Rachel, a special honey that she needs to get more of to be able to open her own bakery and get out of a bind that her father got her into. And it is definitely a doozy.

In her quest to find the one who gave the honey, Anita meets a werebear name Soren. I love their chemistry and adventure to the honey. There is even a fairy that loves sweets! This book had it moments of silliness, but it didn't sway me from enjoying this delightful story.

Delicious

This was a really fun read! This is the first in the series that I've read and it's completely enjoyable going in without the context--I bet I missed a few cute "in" jokes though. Interesting and sexy, this book some turns that I definitely didn't see coming. The only criticism I would have is this book has like 4 almost-endings before it actually ends which got really frustrating but if you know that going in I bet it won't be a problem

Another okay one, although the alpha in this was pretty hot. I do love me tall, big men haha.

I think what I like about the characters in this authors books is that the alphas are never assholes, or angry, rage filled, jealous lumps of testosterone, and never verbally abusive to any women, and are just plain nice guys. And the women never annoy me or make me roll my eyes.

That being said, there's a lot left to be desired in the general story telling and developing of the stories. It helps that they're so short though. Read it for the smut. But don't expect a lot else.

I really enjoyed this book. I loved the storyline, it was different & interesting and the characters were really lovable and the fairy is sweet. The dialogue between Soren and Anita was really witty and funny. However there were some grammatical errors and parts that were a little over the top. But saying that I really enjoyed it and I preferred it to the first book!

Loved loved loved

I just loved this story. Anita and Soren were very well written and the joy they both brought to each other was just awesome. I loved the Honey Fairy the most, very cute, demanding and full of such surprises!!! Well worth reading and now I have to finish the series!!!

Yummy just loved it

What a sweet fine. I really liked this story and will read the next book as well. I would like to find out more about Rachel and Blake so I think I'll check out book 1 first.

Kathy Harrington says

Magic honey huh... and an uber good looking bear. Sounds like a match made in heaven.

Lori says**Just a fun series!**

A great light read that will keep you smiling. I like her writing and the way she makes her characters people you want to know and this town a place that I'd like to be. I will be checking out what else she's written!

Judy Lewis says**DELICIOUS MAGICAL GOODNESS !!!**

I love this book! Exciting! Original! Smart! Captivating! Endearing! Sweet! Romantic! Sensual! Sexy! And oh so hot! Handsome sexy werebear-check! Beautiful curvy heroine-check! Heinous villains-check! Magical honey fairies-check! Romance and steamy, dreamy sex-check and check! Oh yeah! Delicious magical goodness at it's best! I was totally captivated! I was left with tears of joy in my eyes, a smile on my face and happiness in my heart! Wow! What a fantastic book!

The second book in the Honeycomb series is just as good as the first. Again Ms Wright creates great characters and an enjoyable storyline. Anita is a curvy and sexy baker and is hiding a secret past. Soren, the were-bear shifter is struggling with a past of his own. Together they help each other overcome the memories and wrongs of the past.

Oh yeah, there is some steamy sex. And a fairy who provides a bit of comic relief. This book has it all, romance, suspense and comedy. You can't afford to pass it up.

NOTE: I was provided an ARC in exchange for an honest review.
