Lucky Christmas (Possessed Series book 4) K.L. Donn

You met James Wallace in Lost & Found, now it's time he gets his happy ever after!

A guy walks into a bar... No too cheesy.
A girl see's him across the room... Nope, not quite.
He's a Grinch, she's an Elf... That's the one!

Grumpy about caving to his partner's request, James Wallace dresses up as Santa to please some kids he doesn't know. The girl playing his helper Elf has him intrigued from the moment their eyes meet.

All Georgina "Gigi" Grant wants for Christmas is to have some luck in love. Her brother and his wife suggested she help Santa at the local kid's club. Dressed up like a helpful Elf, Gigi isn't prepared to be snowed in with the Grinchy Santa.

Seeing her brothers' friend is behind the Grinchy demeanor, she hesitates until he takes her in his arms and suddenly all she wants for Christmas is...

The Grinch.

4 Stars!

Lucky Christmas was a short, sexy holiday romance. While this is book four in the Possessed series it can be read as a standalone. That said, I haven't read the other books in this series. And while I had no trouble following along when characters from the last book made an appearance, my interest was definitely tickled. As soon as I get caught up on my current reading, I plan to read book three which features James' sister and her husbands.

James and Gigi.....

James is described as a bit of a Grinch. And while he was grumpy and impatient with Gigi at times, I did not view him to be that selfish, green holiday miser. I actually liked James right from the beginning. Gigi was sweet; a lovely character. While she had attention issues and could be hypersensitive, I did not judge her by that. People are born with issues that don't make them bad, just different. In fact, Gigi was downright perfect and I was completely endeared to her.

Circumstances bring Gigi and James together during a snowstorm. It is during that time, they realize their feelings for each other are strong and not going away. I don't want to tell you anything more since this book is so short. You will just have to read and find out how things end on your own. I will say I loved James and Gigi's happily-ever-after. Not only did luck and a snowstorm bring them together, but their future is going to be merry and bright. Ok, that was probably cheesy, but I meant it.

This is my honest and unbiased review. Thank you for taking the time to read it. :)

Jessalee Shields-Dulaney says

My first book by KL Donn but definitely not my last. This novelette was a short, steamy, sweet with a touch of sass. It is part of the Possessed series but they do not need to be read first. I will say one thing about that, though, after reading this story I will be reading the others. I just have to meet them all. James and Gigi just pull you in. They have been crushing on it other for years but they both stayed silent. James was a jerk to Gigi but you have to read to find out why and if they have a HEA. You will laugh, get a little angry but you will also feel the emotions from those two. It is just a short, steamy book but one I have a feeling will pull you in to becoming a fan of KL Donn.

Adult language and sexy scenes so 18+ audience but does not take away from the story. Recommend.

April Symes says

This is a super quick novella read that packs quite a super steamy punch and it's a such an amazing Christmas read. I don't want to give any spoilers away but I adore how possessive James gets with Gigi. I

hated how everyone always treated Gigi like there's something wrong with her just because she has ADHD. James never realized that him trying to stay away from her, she always thought he,too, felt the same way the other felt as well. James is determined to show Gigi that isn't true and he's going to give them both a "Lucky Christmas" that they soon won't forget.

What a sizzling, sweet, sassy, fierce, moving novella that will have the reader rooting for Gigi and James.

My Rating: 4.5 stars *****

Jackie Wright says

This maybe a super quick read but that doesn't mean this novelette doesn't pack a mighty punch it's a great Christmas read. James is normally more of a grinch than Santa but that's all about to change when he agrees to help a friends sister out. Gigi isn't perfect she is always sad around this time of year and she has ADHD but that doesn't stop her trying to work the magic of Christmas and I have to say I loved how protective James became of her even though he knew she should be off limits.....

I understand Gigi and James are characters from previous books but I haven't read the previous books in this series so I'm really proof that this quick read can be read as a stand-alone. This Christmas story featuring The Grinch and The Elf will give you all the right feels and it certainly left me wanting to back track and read the rest of this series.

Mindy Chase-selder says

Lucky Christmas

I love this series! And I love everything about James and Gigi's story. Everyone deserves a Merry Christmas and when James finds out that Gigi has been let down this Christmas he hopes that he will get lucky enough to be the one to give her that Merry Christmas. Gigi never thought that she would ever have a chance with her brother's sexy partner James, especially since whenever they're around each other he seems so annoyed. Her ADHD has given her some insecurities that are hard to overcome. But when James comes knocking on his door and taking what he has wanted they definitely both get a Very Lucky Christmas!

I gave this Book a rating of 5 ☆'s

Title: LUCKY CHRISTMAS

Series: The Possessed Series Book 4

Genre: Holiday Short Romance

Author: K.L. DONN

Format: Kindle Edition

Published on: Dec 4, 2018

I voluntarily received a Courtesy Copy of this book from Read, Review, Repeat and am voluntarily leaving a review.

>-< >-< >-< >-< >-< >-< >-< >-< >-< >-<

What I liked/Didn't Like: This is James and Giga's Story. It is a bit of a taboo romance too. Well written with a lot of things going on but it all makes sense.

Erin Lewis says

4 star review of *Lucky Christmas: A Novelette (The Possessed Series Book 4)* by KL Donn

KL Donn is a new author to me. I have not read any of her books and although this is book 4 I had no problem reading *Lucky Christmas* as a stand alone.

James is a bit of a Grinch where as Gigi would be an Elf, two totally opposite views, but ones that came together to make a Merry Christmas.

This was a really fast, quick and smoking hot read which I enjoyed. James and Gigi tugged at my heart from the start and I was invested in them getting their happily ever after. I will say I thought the sudden turn around by James was a tad fast, but since he has had feelings for Gigi for quite some time it was explained away easily enough; it did not detract from my enjoyment at all.

My heart just about broke for Gigi at times as she admitted how alone she often feels. James learns that her boyfriend has dumped her and decides the time is right and makes his move. I felt such empathy for Gigi as she felt as though her true dreams could never come true because she is such an annoying nuisance to those around her.

I loved that James realised that in trying to keep his distance and his true feelings for Gigi he had actually caused her pain. It was great to see him take responsibility and commit to doing better in the future.

Loved James And gigi's amazing beautiful love story?

Neringa Neringiukas says

I wasn't sure what to expect before going in but... It was sweet, warm and enjoyable story. It's a perfect quick

read for upcoming holidays.

Jenn Allen says

If you are looking for a quick read with lots of steam this is the read for you! I really enjoyed James and Gigi and the connection they shared.

I received a copy of this book and am voluntarily leaving an honest review.

Janine - The World Was Hers for the Reading says

Lucky Christmas is short but sweet very steamy holiday novella sure to get you in the mood for Christmas!

James Wallace doesn't enjoy the holidays, so when his friend and partner talks him into playing Santa for a local kid's club holiday party, he is less than thrilled. Things go from bad to worse when he arrived ready to go only to find out the party was cancelled and he is now snowed in with the woman who was supposed to play the part of his elf.

Georgina "Gigi" Grant wants nothing more than to be lucky in love, but she knows her quirky personality isn't what most men are looking for. She's completely unprepared for the grumpy Santa that shows up at her door, but when the snow starts to fall, the heat starts to rise. Once James takes Gig in his arms, maybe they'll both find they are lucky in love this Christmas!

What I loved most about this novella was that James and Gigi had both secretly had crushes on each other for years, but never acted on them. Being younger than him, James felt Gig was off limits. Her cute but quirky personality can also be seen as off-putting to those that don't understand her. I loved that being forced to unexpectedly spend time together let James see Gigi for who she truly is so that he could fall hard and fast for her and give them both the holiday HEA they deserve. 4 stars!

Kelly says

Lucky Christmas is the fourth book in the Possessed Series.

This is a short, quick Christmas story with a lot of steam.

You get an OTT alpha (once he pulled his head out of his butt) and an extremely sweet yet out spoken heroine who I feel should have made him work harder at getting her despite feelings.

All in all it was a good read. I might be in the minority here, but to me it just felt like something was missing I will continue to read this author though because she's an awesome writer and I've loved everything else I've read of hers so far.

Would I read again - Maybe.

3.5 big stars!

Kari Hansen says

James has been guilted into playing Santa by his partner and best friend. The only problem is that his elf is his partner's little sister Gigi and the one woman he can't stop thinking about or should be with. Gigi is going through a rough patch so when James shows up at her door the last thing she needs is another person telling her she isn't good enough. Will their Christmas miracle be each other?

Gigi always puts others first and now she has found someone who puts her first. I voluntarily reviewed an Advance Reader Copy of this book.

Island Girl Romance Reads says

Short and sweet.♥????

Love James and Gigi's story.

James was so possessive of Gigi. And love that James finally got his head out of his @\$\$ and started treating Gigi right.

Can't wait for what is next by this author that I love.
