### **Toni Marie says**

#### **Love this series**

Now that I have dedicated so much time into this series, I am wanting more. I can't seem to put these books down!

---

### **The Third Place A Teen Library says**

F IKE r+v:s2 v.7

---

### **Dylan Murphy says**

The drama of this volume(and the one previous) with Moka is intense, and the author uses this to introduce an entirely new setting with some awesome new characters.

The "joke" chapter was AMAZING as well, a tiny plot twist I did NOT see coming!  
Master Tohofuhai is amazing as well!

---

### **Maja says**

I like the old guy and their travel into Moka's memory.

---

### **Nidah (SleepDreamWrite) says**

Good volume.

---

### **Jessica says**

Picking-up right where Volume 6 left off, with the startling revelation that Moka's rosario's seal is starting to weaken. From there, the story jumps to Hong Kong and FaiFai's family. I found this volume to be the most satisfying in series 2, though volume 6 comes close. There was action, near-deaf, personal growth and a dirty old man (who also happens to be one of the most powerful sorcerers in the world). The only annoying thing is that there is yet ANOTHER massive cliff-hanger at the end and I simply cannot wait all the way to April to find out what happens! To be a bit of a spoiler....people are traveling in Moka's hidden memories and even meet Moka's oldest sister and she is wicked.....though caring.....which makes for a very odd combination.

How much do you want to bet that it is her helping out the Miao Family in their raid on the Huang Family compound?

---

### **Dante' Slaton says**

The Rosario Moka wears keeps her neck seals up her vampire abilities and was made by the powerful being known to man. And with Tsukune's help by removing it himself and only him, Moka transforms to her inner self. But when the seal of the Rosario starts to wear off it becomes a problem for the two personals of Moka as the gang travel to Hong Kong to find the one who can fix it. But there is another thing none of them don't know about the Rosario and reveals a something else of Moka's past. This is getting good as things get exciting in the next Rosario + Vampire series.

---

### **Brevin says**

In volume 7 of Rosario Vampire we see the story get back in the action as we learn more about the Huang family and delve deeper into Moka's vampiric past. We learn more on the team's fight against Fairy Tale organization. Along with the rivalry between the Huang and the Miho family.

The book manages to create a sense of fear with its art style and its exceptional use of blood for all the fight scenes. We also get to see Tsukne with a lot of ammo strapped around his waist as well.

Sadly I do feel with some of the talk on Tsukune being human that Ikeda may start moving away from using Tsukune's ghoul mode as it wasn't ever brought up in this volume nor used.

Still tho great volume. I look forward to learning more about Moka's family traditions in the coming volumes.

---

### **Leila Anani says**

Hurrah more Hauang Fangfang! Another wonderful installment. Moka's seal is beginning to deteriorate and Fangfang suggests they visit the head of his family one of the 3 dark lords for help. The first adventure occurs on the plane where Fairy Tale send gremlins to attack our heroes. The second story introduces Moka's final sister Aqua and gives us lots of mysteries not least, what happened to Moka's mother.

Particularly fond of the art in this volume, it's just stunning. Wonderful characters and a decent level of plot. Recommended.

---

### **Daniel Stephens says**

Another good volume. The fixing the Rosary / Trip to Hong Kong arch is again working really well to expand the world of the Manga. As much as I liked the first "season" these past couple of volumes have really shown up just how insular the first season was - its something of a shame that we have to be at the half

way point of season two before it really starts to reach a more grand scope. That's only a problem in hindsight though.

---

### **Sandra says**

Spots of humour, fun trickery, and surprise. Amazing mix of emotions. The story line is getting deeper and more complex while still maintaining the lighthearted "love of Tsukune" tone as seen throughout the series. I am so happy I do not have to wait for the next one to come out.

---

### **Kereesa says**

When I first started reading this volume, I was more than a little disappointed. Most of the chapters seemed to be heading in the usual comic fashion that *Rosario+Vampire* is known for, and for once I really just wanted a little more serious mixed in my regular ridiculous shonen.

Then things got, well, things got serious, very quickly, and very scary almost. It was exciting, to say the least, and that plus the author's comments on where the series is going (getting to the big climatic stuff apparently), made me really happy and impatient for the next volume to come out.

Which doesn't always happen with this manga series. I mean I do love it, but somedays I wonder how many more panty shots I can take? And the Ruby SM stuff is getting a tad awkward for the girl that's reading this, and getting reoccurring memories of that one section in Wizard's First Rule (PLEASE DON'T ASK-I'm obviously STILL scarred).

All in all, this volume to the series made me happy, excited, and impatient for volume 8 to come out already! Gah, translations, Y U TAKE SO LONG? 4-4.5/5

---

### **James says**

*Rosario+vampire* is a good akuma based manga. It has a good art style and a good plot line. The akuma concept is good and very entertaining. Characters are good and interesting. The second season of rosario brings more plot, characters and twist. Very entertaining and darker than the first season.
