Simple Cake: All You Need to Keep Your Friends and Family in Cake Odette Williams , Nicole Franzen (Contributor)

A nostalgic ode to the joy of homemade cake, beautifully photographed and with easy mix-and-match recipes for a sweet lift any day of the week.

Everyone has a favorite style of cake, whether it's citrusy and fresh or chocolatey and indulgent. All of these recipes and more are within your reach in *Simple Cake*, a love letter from Brooklyn apron and bakeware designer Odette Williams to her favorite treat. With easy recipes and inventive decorating ideas, Williams gives you recipes for 10 base cakes, 15 toppings, and endless decorating ideas to yield a treat--such as Milk & Honey Cake, Coconut Cake, Summer Berry Pavlova, and Chocolatey Chocolate Cake--for any occasion. Williams also addresses the fundamentals for getting cakes just right, with foolproof recipes that can be cranked out whenever the urge strikes. Gorgeous photography, along with Williams's warm and heartfelt writing, elevate this book into something truly special.

BECAUSE CAKE SHOULD BE EASY AND BRING EVERYONE TOGETHER!!

If you're in need of cake, TURN IN HERE! Whether someone has a birthday or you are just craving some cake, this book will deliver! Odette has done a fantastic job of compiling these recipes to suit any occasion! I have made the Chocolatey Chocolate Cake topped with the Silky Marshmallow Icing and have absolutely fallen in love! The cake is delicious and moist and still is - three days later! I am looking forward to all the cake baking in the years ahead!

Why do I love flipping through this book so much? ALL OF THE POSSIBILITIES! Baking is my favorite thing in the world when I am given freedom to dream. This book helps facilitate those dreams! She has given ten different base cake recipes and fifteen toppings with variations, so you can make cake that is customizable to anyone's tastes and whatever you can dream up! She already has some really outstanding cake ideas in the back of the book to help grow that dream cake of yours! I appreciate her effort to include many pan sizes and baking times with each recipe too; I do not always have the proper pan sizes, and then it can quickly turn into a dicey guessing game of how long to bake the cake - she has done all of the work, so no worries about over or under baking cake here! Thanks to Ten Speed Press for providing me with this free book!

Here is to making more cake this weekend (and the next!) This book might even convince me to eat cake for breakfast too!

#partner Thank You Ten Speed Press, Random House, & Odette Williams for my free copy of Simple Cake.

I am in love with this simplistic cookbook. Odette Williams gives you 10 base cakes to work with and they are simple and easy to bake. The recipes are flavorful and unfussy. These cakes will become your simple favorites. All you will need to do is mix up the toppings and fillings and you have a new cake. A new flavor profile to delight your taste buds.

Pick up this book, select your favorite cake and celebrate!

My favorite is the Lemon Yogurt Cake. So delicious!

I loved this cookbook with recipes for a variety of cakes/icings and other flavoring to make the baked desserts for everyday. Easy to find ingredients and the lemon cake I made tasted better than anything I could get at a bakery or store for a reasonable price.
