I read this to my daughter. It was a cute kid friendly mystery with a moral and a lesson learned at the end. This would be a good book for emerging readers.

This is a transitional book suitable for about the second grade but I would not use it in my classroom. They talk about smoking cigars and I do not want to promote smoking. As well as some of the pictures had the "ghost" holding a gun.

Candice knows this book REALLY well- ask her to quote from it. Michael does too, but I think that he threw it out the window and the ambulance ran over it--I'm not sure...

(Rating of a 7-1/2 year old - I would have given it a 3 or 3.5)

A funny little story about a mysterious ghost who creates a lot of mischief in a seaside town. Otto and his Uncle Tooth lead the villagers in a hunt for the culprit. Is it really the ghost of the dead Pirate Blackeye Doodle?

Purchased for Bryce and Sean at the BX on our Christmas visit.

I was never a fan of mystery books as a child, but I loved reading these books! As I read this book once again, I can see why I loved them so much as a child! They are truly hilarious and full of much suspense. Any child who reads these books will always be caught by surprise at the end.

A book my 6 yr old loved, a little old for my preschoolers. A solid reading level 4 book, this reader has a good amount of advanced vocabulary words, but not so long that it discourages a new reader. Used it for his read out loud book, which was perfect. It took about 20 mins for him to read and had just enough new vocabulary words to make it challenging. Also, it was a fun and interesting story he could get into. He liked it so much, he asked for more by this author. Great reading book!

He was a mean pirate...but a good friend!

Cute story with entertaining names. My 4yr old laughed out loud at the name Captain Poopdeck Doodles. *There was mention of a character with a cigar and at the pool hall the Widow Mole serves beer.*
