Diary of the Plug's Daughter 2 Sol

Summer is back, and this time she's pregnant and doesn't know who is the father of her baby. Despite the bad cards life has dealt her, she's trying to move on and live her best life while tackling college at the same time. Problem is, one of her lovers isn't ready to let go.

The king of Harlem, Carlos Mills aka Loso, is still the street's finest. Now that everything on the block is running smoothly, he's finally ready to focus on his personal life and commit to his girlfriend, Amaya. He's got it all figured out. They're gonna get married, buy a new house and start a family. Everything is perfect until people start to show their true colors.

After Remy's boyfriend found out the truth about her and DC's affair, she starts to uncover Sur's secret life too. She wasn't the only one with skeletons in her closet. But, as the old saying goes... Some lies can get you hurt.

DC has now found himself in a love triangle that hits a lot closer to home than he thinks. Promise, his baby mother, isn't the only woman who has gained a place in his heart. And if that's not enough, imagine finding out that both of your women know each other almost better than they know you.

As these couples embark on a journey of love, heartbreak, betrayal, and pain, they'll find out that people and things are not always what they appear to be. The minute you think life is what it should be, those slithery snakes come out of hiding. Get ready to unfold all the drama in Diary of The Plug's Daughter II.

There are no words to truly describe my thoughts on this book. Sol came back reminding us why we love her books. This is a sure fire, motion driven, bossed up story that will have you counting down the days until the next release. READ IT, you wont be disappointed.

The plot thickens

This was so worth the wait. I'm so glad that Summer & Loso finally got it right. DC and Remy omg I can't wait to see how this plays out the cliff hanger was everything. Promise thinks she is has it all figured out but lil sisss has knocked her off her thrown. I can't wait to see how it all unfolds. Harlem played a dangerous game and just signed his own death warrant!

Simone Kent says

Worth the wait

The drama is definitely real with this crew, from the very beginning!!! But with drama comes love and that is what I love about these characters. They go through their mess but no one stops the ove they have. Now on the Harlem, like he has the audacity to be mad when he was out here with a whole side piece. Poor Remy but my girl definitely bossed up. I am glad Loso and Summer got they mess together but Amaya is crazy so he might have to get knocked off. Harlem will get his top unless they in it together!!! Great job Sol!!!

Syretta Adams says

Well damn!!!

Sol, your books are always worth the wait. DC got his hands full. And you know Anaya is on some crazy mess so when she find a out about the baby it's gonna be some series problems but I'm sure Los and God will handle. I can't wait for the finale....

Tiffany Bryant says

So you really gonna make us wait til October 1st?

Ok sooo you really gonna end the book like that! Smh omg Oct 1st can't get here fast enough lol. The book was too good read is hours lmao

Loved it

This was definitely worth the wait. I loved that the drama picked right back up where the crew left off. Talk about it being a small world with how these characters somehow end up being connected through the ones they chose to date. I was happy that Summer and Remy remained friends once the truth was revealed about Sur/Harlem. Overall, I was glad that Summer decided to grow up and show Loso that she will no longer play his games. DC playa ways finally caught up to him when he met Remy. Will he give up his playa ways for good now that the truth is out about his love triangle with him, Promise and Remy. Can't wait to find out what will happen to Harlem now that he has gone MIA. Waiting for Part 3.

I can't wait for the wedding g and for DC to get rid of Promise.....hell that's prob at Harlem baby I hope it is lol. October 1at I'm gone be like "she ready!" I can't wait. Welcome back Sol you have been missed boo.

Teneshia says

Love it!!!

I chose 5 stars because I love this series. Why you end it like, can't wait for the next one. And please don't take forever and drop the last one on time. This one took almost a year. I damn near forgot about it and thought you did too. Do some about Amaya looney ass and don't have her coming for my girl Sumner. So happy it was Loso baby and not Harlem sneaky ass. Can't wait to see how it goes with Remy and DC.

tanessia ford says**Yasssss Now That's What I'm Talking About**

Evey book she releases is so worth the wait! And this one here! Bruh!!! Is so no different. I can't! I just can't wait that long! I've got to know! I need all kinds of answers lol. Like is Amaya bout to kill everybody? What part does Kyron play in the f***ery! Because I know you and you didn't just throw him in for the heck of it. They should know they can't trust Sur point blank period! I don't think that's DC baby. Idc idc and you can't convince me to believe that it is sorry!DC wrong for getting mad about Sur knowing he had a whole situation where we do that at? Poor Loso his whole cheese done slide off his cracker for a second there I was real worried about him lol!Drama, treachery, suspense, lies, drama did I say drama! The ish got real ok! I couldn't believe half of it like really! This web of intrigue is so intricate man! I don't even think we've seen nothing yet! Sensational job per usual! Clearly I'm not going to have any edges fooling with you!!
