## **Infectious Diseases, 2-Volume Set** Jonathan Cohen , William G. Powderly , Steven M. Opal

Drs. Cohen, Powderly and Opal, three of the most-respected names in infectious disease medicine, lead a diverse team of international contributors to bring you the latest knowledge and best practices. Extensively updated, the fourth edition includes brand-new information on advances in diagnosis of infection; Hepatitis C; managing resistant bacterial infections; and many other timely topics. An abundance of photographs and illustrations; a practical, clinically-focused style; highly-templated organization; and robust interactive content combine to make this clinician-friendly resource the **fastest** and **best** place to find all of the **authoritative, current information** you need.
