**Managerial Accounting** Karen W. Braun , Wendy M Tietz

*For Introduction to Management Accounting courses.* **Managerial accounting taught through real-world business application** *Managerial Accounting* helps readers see how managerial accounting concepts are used in business to make decisions. By presenting actual accounting decisions made in companies like Target and Macy's, the text's precise coverage of the core concepts better engages readers in the content.

With new problems, cases, and applications in the **5th Edition**, readers receive the most up-to-date information and practice opportunities to prepare them for their future careers in accounting. **Also Available with MyLab Accounting** MyLab(TM) Accounting is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
