36 Hours Serial

As a devastating summer storm hits Grand Springs, Colorado, the next thirty-six hours will change the town and its residents forever....

Nine Months Part 1

Sex with a stranger isn't what Paige Summers expected when she was trapped in an elevator with hot cowboy Jared Montgomery, but he unleashed her wild side. It all seemed like a great adventure. Until she reported to her new boss, J. L. Montgomery—her elevator cowboy in a suit and tie!

Jared is on the fast track to success. He'll need a wife, but his adorable redhead assistant is more bedroom than boardroom. Still, he can't get her, and the stormy night they shared together, out of his mind.

When Jared overhears Paige telling a friend she's pregnant, he wants to do the right thing. But Paige isn't willing to settle. Marriage means love—and until that's on the table, there's no deal.

The story continues in Nine Months Parts 2 and 3.

Amazing I can't believe she had sex in an elevator with a guy she did not know and he wind up to be her boss!

### **Paula Legate says**

The author broke one story up into three books. The first book is free and ends in a cliffhanger so you are forced to buy the next book for \$1.99. I really didn't get into the second book, and it too ended in a cliffhanger forcing you to buy the next book if you want to finish the one story. Well I bought the second, but I will not be buying the 3rd. I hate cliffhangers, and I hate short books broke down even more, so you spend more to finish out the story. Shame on any author that does this.

### **Elevator mishap**

### **Elevator mishap**

I'm only giving this book a three star because I was really shocked to try to understand what this had to do with the case of the murder of the mayor.

So I'll just give a short little idea of what's going on. Paige goes in for a job interview and her way out she is going into the elevator with a cowboy. While in the elevator when the storm hit and all electricity goes out Paige is just a little claustrophobic.

Cowboy Jared has a problem with hysterical women so he tries to think of ways to get her to not think about the enclosed elevator. Well his one way was to seduce her.

Did Paige go along with this? Read the book and find out what's going on between the two of them

Happy reading!
