Roben says

This collection of twenty insightful biographies was a thrilling read. Osho's added opinions elevated my understanding of mystical impact whether the teacher be Jesus or George Gurdjieff. Though the author parted the earth in 1990, his insight is bright and shiny.

???? ???? ?????? ?? ?????

[illegible][illegible]

I completely disagree with some ideas
In general it couldn't be enlightening for me ! , I think I must choose another book by Osho
