The Believer's Secret of the Abiding Presence (The Andrew Murray devotional library) Andrew Murray , Brother Lawrence , Louis Gifford Parkhurst Jr. (Editor)

Andrew Murray's devotional warmth and Brother Lawrence's practical mysticism are combined in one challenging volume. Editor L.G. Parkhurst has taken Murray's classic, *The Secret of the Abiding Presence*, and added the insights of Brother Lawrence's bestseller, *The Practice of the Presence of God*, updating them for today's reader.

Murray's and Lawrence's burden was to give the believer a tool to expand his prayer life beyond the limits of merely verbalizing needs to actually *practicing the presence of Christ* on a moment-by-moment basis.

The thirty-one devotionals are comprised of chapters from Murray's original book summarized and given practical application by the writings of Brother Lawrence. Each devotional begins with comments on a specific topic by Murray, then Lawrence's commentary on the subject concludes the devotional.

A unique devotional handbook that deserves a wide audience in this newly edited format.

Glenn says

Often Andrew Murray books are overlooked by the serious reader. Sometimes, Murray is dismissed as a shallow devotional writer, or a beloved teacher of the past, but is no longer relevant, or too mystical to be practical. All these misjudgments are that misjudgments. Murray's writing is rich in Trinitarian devotion, union with Christ revelation, and Holy Spirit saturation. Murray leads the reader into a richer, fuller, on-going love relationship with Jesus. No higher compliment can be paid to a Christian writer than their works cause you to love Jesus more. I encourage you to read The Believers Secret of the Abiding Presence, you will drawn by the Holy Spirit into the riches of Christ's grace.

Laura says

A treasured read that spoke to me greatly. For those wanting to go deeper in their relationship with Christ. Learning to sit quietly in His presence and abide in the Spirit. A favorite of all time for sure. Hard to find and you may have to pay up for it, but worth every penny.
