The Broken Chase: A Chase Fulton Novel (Chase Fulton Novels Book 2) Cap Daniels

When American covert operative Chase Fulton finds himself aboard a luxury mega-yacht off the Florida Keys with a dead Russian billionaire on deck and the beautiful SVR officer he loves standing over the body with a bloody knife in her hands, he believes his life could never become more complicated. But he is wrong. A vow to a mentor and beloved friend sends him on a tumultuous quest through the criminal underworld of South Florida to rescue an innocent young woman who represents not only Chase's painful past, but also may be his only hope for psychological survival in the future. After suffering the agony of loss and ultimate betrayal, Chase learns that loyalty is a veil behind which deception, dishonor, and treason often lurk.

Wow!

Cap Daniels is a master storyteller! From the first page I knew I was hooked. I think I felt every emotion there is: joy, love for family, fear, sorrow, remorse, gratitude for friends & their help & even despair. Can an assassin be lovable? You bet! If you're looking for a book that will involve you in every page choose Opening Chase then Broken Chase!

Wanda Burquest says

The second book in the Chase Fulton series by Cap Daniels is as fast-paced as the first book but different. I was really surprised at what happened in this part of Chase's story. Elizabeth, a new character, is introduced and promises to add an interesting dimension to the tale. When is the next book available?

ELAINE CHARAPP says

Good story with believable characters

This book is a sequel to book one. It can be read alone but read. book one first. Great and unexpected ending. Can't wait for the third book.

Cat Kelley says

With this second book release, the story continues. The characters remain plus we meet more. More adventure on the high seas and on dry land. We learn more about Chase's mentor and coach while he solves a problem and attempts a rescue. After a major upheaval and heartbreak in Chase's personal life, Cap has perfectly set up the segue to book 3. (You busy writing, Dan?)

This book was gifted to me by the author in return for an honest review.

Donna Bell says

Outstanding!

Not the type book I'd normally reach for, espionage, spies and multiple killings not something I'd ordinarily be interested in, but I was hooked from the first chapter of "Opening Chase". Characters are believable, lovable or hated, but they will grab you by the throat! Exceptionally good writing, loved it.

Karen Kearns says

HARDLY TIME TO BREATHE WITH THIS THRILLING ADVENTURE

Boats of all sizes and descriptions, outwitting Russian agents, torture, kidnapping, beautiful women, hunky men, good food, good booze, food malfunctions,what's NOT to like?

Jennifer Gonsalves says

Wonderful 2nd book to this series

This was a wonderful, heartbreaking story. My emotions were up and down along with Chase. I absolutely can not wait for the next book in the series!

William A. Frye says

Good ready

A good action novel . I am looking forward to the next book in the series.
Cap Daniels has a writing style that makes for interesting and enjoyable reading.

Twisted and turns, look out James Bond!

This second book picks up right where the first one ended. Nice that Daniels did that. There are lots of twists as we find out more of Chase Fultons history and his human failings. I got these books through Kindle Unlimited but like them enough to purchase physical copies. Can't wait for the third in the series to be published.

Kathi says

david hatzala says

Just OK

Half way through killed it 4 me. Worsed agent ever.!! Always making mistakes. Tied up & knock ed out again and again. Hope there are no agents like him protecting USA

Geneva Stokes says

Not usually my "type" of book, but MY GOODNESS Cap Daniels takes you away, better than Calgon! LOL!

The first book The Opening Chase was an edge of your seat fun ride. The Broken Chase is a great addition to this series.

Love the intrigue, suspense, boat rides and all the other action. It is NECESSARY to read the first book, first!!! Otherwise, you will lose

a lot of history. As the book ended, we know there will be a third book, not necessary a cliff hanger, but you just know there is more to come.

Cap Daniels, for such a young author, you write as though you have been doing it for years.

Thanks for such a good read.
