The Magic Tree House Amanda Shoemith-Bateman , Heather Beitz-Grant (Illustrator)

Aidan's tree house is no ordinary tree house. When the enchanted words are spoken, he (or whoever is in the tree house) magically appears wherever he wishes them to be. Come with him and his friend as they have great adventures, until Aidan's mother finds out the magic words and starts using this tree house for her own fun-filled adventures.

This book swept me away to this other wonderful world. The setting was brilliantly set. I could totally see it in my mind. But the characters were definitely my favorite part. They are all so colorful, interesting, exciting, and hilarious. The main character is just perfect. The plot moved fast enough that I couldn't stop reading lest I miss something, but the author still took the time to flesh out the details. The details are what really make or break a story.
