From Reader Review The story of Heidi for online ebook

Blaire Malkin says

Heidi is one of my absolute favorite books from my childhood. This young reader version captures the basics of the story. Can't wait to read the whole thing with my kids when they're a bit older.

Wendy Jinsky says

"The story of Heidi" was written by Johanna Spyri (1827-1901). Joanna Spyri was a doctor's daughter, was born in the Swiss countryside. And she grew up loving mountains. "The story of Heidi was published in 1880. It was an instant success for her, and remains as popular as ever today.

Heidi was a nice and smart girl. Once her aunt Dete took her to her grandfather because she got a good job in Frankfurt and Heidi can't come with her. Both Heidi's parents were dead, her grandfather became sad and lonely. Heidi brought happy to her grandfather.

Wilde Sky says

A young girl alters a number of people's lives for the better.

I thought this was a really good short story with a solid morale message. The only downside was that it was a bit too concise.
