Three Down the Aisle

Sherryl Woods

Three Down the Aisle Sherryl Woods

Revisit this beloved story of new love—and family!—from *New York Times* bestselling author Sherryl Woods.

When Melanie D'Angelo arrived at Rose Cottage, she was only looking to mend her shattered heart and restore the beautiful house her grandmother once called home. The last thing she wanted was to become involved with her landscape designer!

Mike Mikelewski couldn't deny his instant connection with the gorgeous Melanie, but the single dad already had a woman in his life—his adorable but troubled young daughter, Jessie. Even though Melanie made his heart pound—and Jessie smile—he wouldn't allow himself to take a chance on a love that was blossoming like the Rose Cottage garden. Or could the trio become the family that Jessie had always dreamed about?

Book 1 of Rose Cottage Sisters.

Bev says

Loved it!

charmaine White says

Great

Sherryl Woods delivers the goods every single time. A interesting and simply amazing story. This one grabs you from the first page to the last.

Cruth says

Author: Sherryl Woods

First published: 2005

Length: ~2720 kindle locations

Setting: Chesapeake Bay, Virginia. Contemporary.

Sex: Infrequent. Not overly explicit,

Hero: Garden landscaper and single father,

Heroine: Recently graduated from marketing, doing reception work while waiting for a job opening.

Trigger: His ex (and mother of his child) took drugs throughout pregnancy and afterwards.

Trigger: Her ex boyfriend turned out to be married with children. He was also a colleague who promised better job role.

Enjoyable bubblegum with a wary single father. Both MCs have their irritating characteristics and the HEA / grand proposal was a wtf moment, but overall it works and I was sufficiently happy to keep going on to the second book.

2.5 stars, rounded up.

Rose Cottage Sisters:

Book 1 Three Down the Aisle - Stefan Mikelewski and Melanie D'Anglelo

Book 2 What's Cooking? - Maggie D'Anglelo and Rick Flannery

Book 3 The Laws of Attraction - Ashley D'Angelo and Josh Madison

Book 4 For the Love of Pete - Josh Madison and Pete Catlett

Patty says

Having spent a week up to my ears in my last paper for my class, I wanted a break. I knew Woods would give me what I want: romance with a little humor. I got exactly that.

I don't think I could have picked another book to read that was so different than my research project. Now back to my paper.

Ashley says

If you like a fluffy romance with a happy ending this book is for you.

Jessica says

When I procrastinate it is with fluff. Usually I like her books but this one? No real twists or much of a plot. A couple of holes too - like an attempt to start a plot that never got picked up and finished. Oy. At least it was a fast read.

Emily says

While this definitely isn't the sort of book I usually gravitate towards, I found it to be readable enough to hold my interest. I was annoyed with both Mike and Melanie, the hero and heroine, at different intervals (which seems to be a common occurrence with me when it comes to romance novels) but ultimately it was enjoyable enough to prompt me to pick up the second in the series.

Michelle says

It was a fast and fun read. I can't wait to read the next one in the series. It was fun to get a glimpse of the other sisters personalities. Sherryl Woods is one of my favorite authors.

Migl? Keliotyt? says

This book disappointed me quite a lot. I expected something like *A Summer in Sonoma*, but got plain, boring romance instead. There was basically no plot, no plot twist, no nothing. Just two people complaining all the time how they can't be together because they're afraid they'll get dumped again. And Mike's friends were really annoying, as well.

Howeover the ending seemed quite sweet to me.

Kari says

I thought that this was a super cute and sweet romance. I loved how Mike and Melanie became friends before lovers. They were really sweet together. I also love how Melanie was with Mike's daughter Jessie. It's a pretty short read, so the romance is quick. But I didn't mind, I actually found it quite believable. I definitely recommend this one. I look forward to the rest of the series.

Cris says

Eu gosto das histórias mais humanas da Sherryl Woods. Gosto quando o casal tem tempo de se conhecer e se apaixonar. Esse negócio dos casais de conhecer pela manhã e pela tarde já ser o amor eterno da vida do outro não faz o meu tipo.

Melanie passou por uma decepção muito grande ao se apaixonar por um cretino no trabalho e para superar o caso ela decide pedir as contas e ir para antigo chalé da avó, que aliás, está caindo aos pedaços.

Mike, como bom paisagista, sempre achou um crime que um chalé tão bonito com um jardim que no passado foi tão bem cuidado esteja coberto pelo mato.

Ele não faz boa idéia da família que herdou a propriedade. Na opinião dele, são um bando de idiotas acomodados. Ele não fica muito impressionado quando a Melanie aparece na casa e começa a cuidar do jardim. Mas, decide dar uma mãozinha. Afinal, se ele der uma orientação (e fizer uma pressão em cima), o trabalho tem mais chances de dar certo.

Logo surge uma atração entre eles, mas a Melanie não está muito inclinada a ter uma nova relação e o Mike é pai solteiro, e tem uma filha problemática de seis anos para cuidar. E entre o trabalho e os dramas da filha não sobre muito tempo para namoricos. Mas aos pouquinhos, Mike e a filha vão se aproximando de Melanie e os três vão construindo uma relação fofa.

Eu li esse livro praticamente em uma sentada só, num sábado. Você simplesmente vai lendo e passando as páginas e quando percebe o livro já acabou. Eu adoro histórias assim, românticas e sem dramas desnecessários.

Linda says

After a relationship-gone-wrong, Melanie D'Angelo is convinced by her three sisters to quit her job and "heal" at their grandmother's home, Rose Cottage. She leaves Boston and heads to the small community of Irvington, Virginia, with plans to fix up Grandma's old house. Her best intentions are to forget about the recent past and regroup.

Run-down and neglected, the 'Lindsey' cottage was a long-time dream of Stefan Mikelewski, aka Mike. It was a house he once tried to buy but the out-of-state owner had refused to part with. Both a handyman and landscaper, he was also a single dad. His six-year-old daughter had behavior issues because his ex-wife had been, unknowing to him, addicted to drugs. Jessica was the bright spot in his life but she required quite a bit of patience. She was unpredictable and he never knew when she was going to have one of her outbursts.

Mike thinks Melanie is trespassing when he rides by the abandoned house and sees some movement. He has mixed feelings about her presence in the cottage. And yes, there is a fair amount of friction between the two after they first meet.

Over the next few weeks, Mike and his daughter slowly tiptoe into Melanie's life. Neither are looking for a permanent relationship when all bets are suddenly off. Fairly predictable, this is about he-said, she-said, some denial regarding what they need and the final epiphany of their importance to each other. Fairly predictable, I liked it but not enough to continue with the series.

Lorelei Frank says

Can you ever go wrong with a Sherryl Woods story?! This is a sweet story involving heartbreak, drug destroying a Family, a young girl alone with her father. In steps another broken closed off hearted person and you have a love story!

Ruth Ellen says

After she finds out her boyfriend is married with kids, Melaine is persuaded to go to their grandmother's home to recover. There she meets Mike, a divorced man with a child. He has covered the garden at Rose Cottage for some time. He helps Melaine plan to recover the garden and her life. Read and see how they both grow in their non relationship.

Notas Literárias says

Fofinho

Oi gente, quem me acompanha por aqui sabe que eu tenho uma queda imensa pelos livros da Sherryl Woods, são aqueles romances fofinhos com alguma lição e sempre um final que nos faz suspirar, seja ele feliz ou não! Esse é o primeiro de uma série de quatro livros, então podem esperar, assim como os Devaney's uma resenha para cada um!

Então nesse livro Melaine depois de descobrir que quase casou com um homem já casado (oi?) precisa de um tempo para organizar a vida e suas irmãs a convencem a ir para o chalé de sua avó, Rose Cottage, seria uma boa para esperar a poeira baixar e poder voltar a seguir com sua vida. Ela não contava em conhecer no processo o paisagista Stefan Mikelewski, mas sabe como é, precisava de emoção na história risos!
