## Fallin' For A Westside Dope Boy A.J. Davidson

Eighteen-year-old Danielle just graduated high school and got accepted into the top college of her choice. She planned to enjoy this summer to the fullest. The main thing on her agenda is her brother's best friend, Dallas. Dallas is a local dope boy who all the chicks in the hood wanted. With him being her brother's best friend, that also means he is off limits, but that's not stopping Danielle.

Dallas is just a simple dope boy trying to make it and take care of his family. Danielle was the furthest thing from his mind until she started demanding attention. Throwing herself at him in public was only the half, she also had some tricks up her sleeves behind closed doors too. Knowing that taking things further with Danielle would ruin his friendship, but that may be a risk he had to take for love.

A deadly situation happens in front of Danielle's eyes and causes her to react before thinking. With a life hanging on the line, will Danielle see that this lifestyle isn't what she needs or will she choose love and possibly lose everything she worked hard for? Love is a crazy game, and it can sometimes lead you on the road to destruction. Danielle and Dallas have that crazy love for each other, but love won't be enough in the end when you have everything to lose at stake.

???????????

This was a good read. Danni was a hot in the pants mess, when it came to Dallas ? I was cracking up at her and her antics. I felt so bad for Shannon, it sucks that both of her parents treated her the way they did. I hope Moe gets her son back safely, her mama definitely needs a good butt kicking. Reggie needed to tone it down a lot when I came to Danni, he was doing to much. I'm not sure what's going to with Danni but I hope it works out in her favor.

**Review**

That ending though . Poor Danni ended up in a bad situation. She just wanted to be loved by Dallas. Reggie was a controlling big brother he need to worry about his situation. I feel so bad for Shannon.

**Fallin for a Westside dope boy**

This book was good. Danni is something else but I liked Dallas for her. Reggie took being over protective to far. The ending was crazy I'm definitely reading part 2.

**Lost**

I have read a few books by this author but it seems like something was missing in this story. I couldn't get a feel of the characters for one. I will give Book 2 a try to see how it all comes out.

**Fallin' for a Westside Dope Boy**

Oh wow! Danni fell hard for Dallas and that ending means things are definitely about to change. I'll agree Danni was doing way too much for attention. Dallas really was a good person and I loved how he respected

Danni enough to want he to experience life and not dwell on crushing on him. I liked Reggie's overprotectiveness to a certain extent. It was crazy how Reggie handled things with Candice only for him to succeed in what he was running from. Shannon ran from one bad situation to the next and had her mom explained things better maybe she wouldn't have ran to someone who was no better. Everything that's happened shows why Reggie and Dallas should take heed to what Mrs. Ellis said. #1031

#### **Good Read**

I feel sorry for Dani, she's tried of being treated like a little girl. Dallas, really likes her and he don't want to hurt her. Hopefully, he won't blame himself for her shooting that dude. Hope she's not charged for the shooting. Poor Shannon. Hope everything works out for everyone.

#### **Good read**

Very good story about living that city life and having a crush on your brother's best friend and him not feeling it. I loved how Danni lived her friends and stuck by them no matter what. Waiting for pt.2.

Love is so crazy sometimes Danielle has been in love with Dallas since she was a child and as she was approaching her 18th birthday age wanted to get him to notice her at all cost. She was doing things to gain his attention. Dallas was interested in Danielle but the bro code was important didn't want to ruin his relationship with his bestfriend reggie! Who was that trying to kill Dallas bc Danielle is definitely his ride. Hurry up part 2 wasn't expecting that ending.#1031

#### **Well dang!**

That ending really messed me up. Shannan's mom and fake daddy needs a special place reserved in hell. How are you going to use your child's body to pay your bills? Just trifling. Reggie needs to worry more about his own life and stay out of Danni's business. I really liked Danni and Dallas together. But, that ending really messed me up. Can't wait to read book two.

This was goood... I can't stand Shannons mom she needs to pay for what she put that girl thru... Reggie needs to get his life together... Candice needs to live her life for her and her child maybe one day Reggie will grow up... I hope everything works out for Danni... Dallas has to pull thru... I need pt 2 now!!!

### **Look here**

Mannnnn in alll that is petty! You are so wrong for that ??! Way to play with a person feelings. I don't even know how to feel after that! Then you go and end it like that! I'm going to need for her to snap out of it and stop blanking out! Like who does that? Dallas is my bae all day! Where do I find him at? Imma need Reggie to stop trying to control Danni and worry about his own relationship! He was doing to much!! Magnificent job

### **???**

Great book! I love the back n forth flirting and chemistry Danni and Dallas share! Reggie soo o protective of his sister Danni with dating other guys when he found out the guy his sister Danni been in love with us non other than his best friend he lost it for a min! Shannon has been dealt a horrible hand her mother is a bit mess and the person she thought was her father is even worse! I feel so much empathy towards her becuz i know she has the potential to do better and she wants to do better as well she just trying to figure out how to go about things so be her mother used and abuse her. The ending of this book tho hand me like ??? so y'all know I'm bout go n head and start part 2!! Lolol y'all might as well go read this book! A.J. Davidson in starting to understand and realize you really don't disappoint when it comes to your writing game this book is ??? thank you!!
