**Hate Thy Neighbor** William W. Johnstone , J.A. Johnstone

**THE GREATEST WESTERN WRITERS OF THE 21ST CENTURY**

*They risked their lives to make a home in the heart of West Texas. Now the Kerrigan family must face the deadliest challenges of the land they love—and the evil that men do.*

**COME HELL OR HIGH WATER . . .**

After a two-year drought, the Kerrigan ranch is dry as a bone and as dusty as a honky-tonk bible. On the brink of ruin, Kate Kerrigan hires the rainmaker Professor Somerset Lazarus, who promises salvation—in the form of a deluge. Kate is desperate enough to try anything. But when four angry gunmen show up, ready to lynch the phony rainmaker for swindling them out of their money, the Kerrigans have to choose sides fast—before the bullets start to fly. It doesn't take a divining rod to figure out that these unsatisfied customers want more than a refund. They have their sites set on the Kerrigan ranch. And it's just a matter of time until it's raining water or raining bullets. Either way, *there will be blood* . . .

## **Tena says**

Love Kate.

---

## **Jewell Floyd says**

### **Last book in the series**

Loved the story, but hoped it would end with Kate married to Frank Cobb, but keeping her last name. But was still great

---

## **Dick Dubay says**

### **Plenty of action**

There is plenty of action and some unusual characters in this story. From the rainmaker to Kate Kerrigan. I would recommend this book to anyone that enjoys a good western story.

---

## **Bob Crawford says**

### **A good book I enjoyed it very much.**

The book kept me interested in it so I just kept reading it until I had finished it I would recommend it to anyone that likes this type of books.

---

## **Maria Jansson says**

Somehow I got hooked on western novels this summer. This is the third book of William Johnstone that I've read, and I really like his most authentic voice. I'm about to dig into another one of his books right now.

---

## **Steph says**

The book description is completely incorrect or I somehow got a different book. The story I read involved the Kerrigan's, Buffalo Bill's Wild West Show and some outlaws..? Not sure what the deal is with that.

Also, what was with all the random Annie Oakley hate? How many times can the author say how mannish

Annie was and how beautiful Kate is? It was weird and juvenile, it just made Kate look so petty. And what about Kate are we supposed to like again? I find her hardly a heroine and barely a protagonist.

To not end on a sour note, it gets some points. I liked Josiah Mosely and Cloud Passing and feel like a book about them having adventures across the west in the balloon would have been a much better read.

**larry brashear says**

**Great!**

This is a terrific book with excitement galore and interesting in all aspects. I could not put this book down!
