In this highly anticipated finale, your favorite couple is back, but with more drama than before. Keece and Paris are in marital bliss with a little one on the way. Keece is finally content with his life. That is until it is revealed that he may have already fathered a child. Keece is livid, and the only person with the answers to his questions is Riley, who finds another possible way to stay in his life, but will it cost Keece his marriage?

Shymar is released from jail with one thing on his mind, and that is revenge. Hearing his girlfriend, Alyssa, fight for her life leaves Shymar feeling crushed and angry. Shymar is itching to know the whereabouts of Alyssa, and only one person that can give it to him is Keece.

Will Keece dodge yet another bullet from Riley and be able to keep Paris in his life? Will Shymar catch up to Keece and avenge Alyssa's death?

Follow this riveting drama to see who will be the last one standing.

**Keece and Paris 3**

This book pick up right where part 2 left off and I was in the edge of my seat the whole time. I was happy that Rochelle gotten her happy ending she definitely deserves it. I'm also happy that all the couple gotten an happy ending. This series is definitely a must read.

Shymar really was bitch made for how he handled things. He caused all those problems on himself and deserved everything that was dished back out to him. I really loved Keece and Paris' relationship and how they managed to work out their problems instead of walking away every time. Rochelle finally got some happiness after all the heartache she was dealt with. These characters were beyond crazy but I loved how they experienced real life problems that many are faced with. Riley was one simple chick that irked me to no end. Honestly more should've happened to her but at least she learned it was time to let go of what she thought would one day become reality for her. Serena was thirsty much but got put in her place with the quickness. The brothers had to learn the true meaning of forgiveness once all secrets were out in the open but I'm glad they worked things out with Dom. I know I'm reading out of order but I can't wait to start the next series by Charae.

Maaannn why does it have to end. Part 3 take us back into the lives of the wondefulr, loyal, don't give a damn DeMao crew. Paris and Keece are happily married and of course expecting, but what they were not

expecting is to have to deal with Riley. Riley as usual is her up to no good self, who still can't take responsibility for any of her actions. With the proper butt whopping after her jumping big and bad on the wrong person, she finds a heart, but has she given up on Keece? That beat down was the business though and she deserved every bit of it. Paris is one of the most loyal characters I've ever read about, she takes on a responsibility that she could have clearly not wanted to deal with. However because of who she is and her loyalty to Keece she doesn't think twice. We are then introduced to Shymar, good grief he should have stayed in Jail. He cause more problems then he could deal with, he had no heart, and ended up in a bad position. Case is finally getting in the groove of making his own money, but a night after work almost cost him his life. Dinero is still Dinero, his mouth is still reckless, but he did grow up. With that growth his brothers allowed him a little more responsibility. Rochelle still has to pop him every now and then, but that to be expected. As for Rochelle well lets just say she found unexpected love. Kiyen and Camara still have some kinks to work out, but some helpful advice Camara see's the era of her ways. As far as Big and Aimee, I see a lot from those two. I'm sure a spin will come out and Tara is going to act a straight fool.

This entire series was so well put together. It will have you laughing, cheering and pissed at the same time. Enjoy!!!

Mannnnnnnnnnn! I love me so Keece, I can't get enough of him. I'm so sad to see this series come to an end. This finale didn't disappoint, I just wished it was longer. I loved watching/reading these characters evolve. I did want some scenes to play out like, Juan running into Paris and Keece and the brothers meeting Carlos. But I'm still happy with the ending of this series. This relationships were very realistic and relatable. I actually know couples like these. I loved the message of forgiveness that was evident throughout the book. I felt no remorse for Shymar at all but I did for Lil'Ron for a hot second. That damn Serena wanted them hands put on her. I was desperately waiting on that to happen. I was expecting more bs from Riley in this book as well but I think she'd had enough. Overall great read and I enjoyed it! I'll definitely continue to recommend this series to readers.

We get right back into it from the last story and get a chance to see just how foul Riley really was. She did seem to want to clean herself up but in all, I think she was on the right track. Shymar was good for the story, the guys needed someone to turn things upside down for them. I was hoping he'd be a bit more of a problem though seeing as he was going all out to get at them.

Rochelle was a good character I was hoping she'd create a bit more drama though, she was sort of there but not as much as I'd like. I think the guys went too hard on their father but then again he went hard on their mother so all's fair. Good read overall.

**Great series**

I loved all the books about the Demao brothers. This book had a great ending. I'm glad that everyone survived all of the drama. I cant believe that Dom was so dumb to believe Rochelle's friend over her and cost his children to lose their mother during childhood. It all worked out in the end. Great read cant wait to read more from you.

#### **Awesome Series!**

Great read! Who says all is fair in love and war. Truly enjoyed this series. Glad they all were able to finally have their happily ever after!!

Another book that kept me on the edge of my seat. I am happy Keece and Paris found their happy place. Riley, was dead wrong for keeping Kya away from Keece regardless if she didn't know for sure he's Kya's father. Paris' reaction to Kya was an A+. It takes a strong woman to be able to put petty stuff aside and be a mother figure to someone else's child. And Dom need his ass beat for believing another woman over his wife. I am glad Rochelle was able to find happiness in the end.

#### **Damn!**

Keece went through the wringer in this last part. All the drama coming from jealousy was crazy whether it was over money or love it was flat out ridiculous. Riley needed her butt beat for her silly stunt and Shy deserved his fate as well. Rochelle was one of my favorites right along with Shonda. I wonder if we'll hear more from them in the future. I'm officially hooked on this author and if you read her work you won't be disappointed.

#### **Banger**

I hate that it had to end. I was so afraid for Keece when he was caught by Shymar, I was so glad Paris had a tracker on his phone. I can't wait to see what you have in store for us next.

I was very impressed by Charae in this series and look forward to reading more of her books! I loved me some Paris and Keece although Dinero was my favorite once he learned from his goofs. I love how close knit they are and character and plot development was great!
