Kelsey and the Executive (Power Play, #1) Selena Kitt

Kelsey never dreamed her first job out of college with her bachelor's degree in hand would be as a secretary. Still, she's grateful to have any job at all, with the economy at a standstill, and she consoles herself that she is, after all, an "executive" secretary to one of the most powerful men in the country. Oliver Pierce turns out to be a harsh taskmaster, and while her friends wonder how Kelsey got the job at all, with such a thin resume, Kelsey doesn't have to wonder. It becomes quite clear very quickly that her lack of experience is exactly what Oliver Pierce was looking for, and she finds herself utterly seduced, happy to be his perfect blank slate, ready to be shaped and molded and made completely his.

Dar says

Too short - want more! Something about boss-employee stories are so appealing, and this is super good at that. A laundry day mishap leaves Kelsey without appropriate work clothes, which then lead to a confrontation with the boss and some sexy emails from an unknown source. Following the emails advice, she plays out the fantasy requested, and then proceeds to again not follow the dress code. All in all, she ends up over the bosses desk having way too much fun!

The review is short because the story is short, but packs a lot of punch, and is super-charged and hot!

Stacey says

Hot quick read. Story line was great I just wish it was longer.

Raecharmed says

This was a really good short read. Kelsey defied her boss by continuing to where what she wanted to work just to see what he would do. Oliver didn't disappoint her with his punishments either ;-)

SUMMARY:

this story disappointed me because it says it is a BDSM. the only thing that happened in this book is.. " if you do that again i will have to spank you." (O.K. BUT THEIR WAS NOOOOOO SPANKING OR ANY SORT

OF BDSM!!!) this story follows a secretary who pushes the dress code to the extreme to test her boss. meanwhile, someone is sending her emails to do naughty things in a bathroom. while she is trying to figure out who it is she is also going to push her boss to the extreme...

Heather in FL says

Well that was interesting. I was wondering who was propositioning her, thinking it must be her boss, but never quite sure. A little streak of defiance running through her, huh? Sexy boss, though.

Sassafrass says

How come nothing like that ever happens to me at work? Man, that was hot. I think I would have done the same exact thing as Kelsey. Nothing like pulling the tiger's tale is it? Especially when it has such yummy consequences...

Linda says

Through a busted washer, Kelsey finds herself with clothes she never ment to wear at work. The striped stockings seem to entice one of her co-workers, though, and soon she finds herself teasing and being teased through the companys IM system.

Quick read, smutty fluff and stockings in a great combo.

Future Slayer Girl says

There is something that Selena Kitt always gives me—my dirty little secret.

I believe that the power play series is meant to do that!

The first one was really good, and this one was even better!

Just imagine if you will, being the object of desire and lust to a powerful male. He tells you in secret and quiet what to do, you don't know if he's watching, you don't know who it is, and you aren't really sure if you are going to get caught.

But you don't care, you just know you are hot for it, you are hot for HIM, whoever he may be. He is controlling you with invisible strings and he doesn't even have to be there. Oh yes, Selena Kitt delivers a hot, sexy read that steams up your car windows and makes your pulse spit fire! Selena is like the Queen of erotica. There is nothing bad I can ever say about her books or her writing. She is clean (writing style I mean), naughty, wicked, and has no limits.

And you know what? I have no problem with having no limits, just means I get exactly what I need, and my husband ends up a happier man at the end of the day when I vent out on him.
