## Ryosuke Ota says

The book's title is "A Little Princess". And, this story was written by Frances Hodgson Burnett. She is from Britain. This story's genre is fiction, and the story for children. This story is written about a little girl whose name is Sara. She is very kind to many people. For example, she is friendly and divides some bread with a poor girl. But, Sara was attacked by sadness. I think that the part of the story where although Sara was very hungry, she divided some bread with a poor girl is very good. Sara thought the poor girl was hungrier than Sara. Because, the girl didn't have shoes. In addition, the part of the story where Sara is very friendly and kind to everyone is very nice. Next is about characters. There are many characters in this story. But, some characters are bad. Sara was sent to servant's room by Miss Minchinn. Sara was seven years old at that time. So, I felt Miss Minchinn is a bad woman. Sara became a servant at Sara's seventh birthday. However, Sara didn't be crushed and continued to be kind to everyone. The peace moved me. I recommend this book everyone. And, I recommend especially to children. Because, this story will teach the importance of being friendly and kind to everyone.

4. My favorite scene is that Sara whisper to herself, "I must be brave. A princess is always brave, so I must be, too."

Whatever happened and it made her sad, she didn't cry and was brave.

5. Sara became a poor girl and was obliged to work hard everyday, but she never gave up her life and she was always brave. Her heart is really beautiful! I thought she was princess truly!

Es un libro que está muy bien para empezar a leer en inglés un poco más. La historia es simple y previsible, pero si lo que quieras es practicar el vocabulario y las expresiones inglesas este libro te puede venir muy bien. Después de esto te entran ganas de leer más en inglés ...^^

b. I like this passage because I could image how Sara was surprised and happy. She was in cold and dirty attic. Suddenly, someone gave her many things like magic.
5. I was excited to read it. Sara who was a little princess suddenly became a servant. She had too bad experience but she had a good experience. So I recommend you this book.
